

SHADOW MOUNTS V2.0 FOR RUGER® PC CARBINE™ - TANDEMKROSS SHADOW MOUNT V2.0 FOR RUGER PC CARBINE RED

[Handgun Parts](#) > [Sights](#) > [Sight Parts](#) > [Rear Sight Bases](#)

Tandemkross' popular low profile "Shadow" Mount V2 is now available for the Ruger® PC Carbine™! The PC Carbine comes standard with a quick takedown barrel, however the sight alignment can change each time the barrel is removed when using the factory receiver mounted sight. The TandemKross Shadow mount connects directly to the barrel so that the sight adjustment is never affected by removing and reinstalling the barrel. The shadow mount excels in accommodating footprints of many popular RMR sights including Trijicon, Burris, Leupold, CMore, Vortex, Crimson Trace, and many others! Hardware is included for mounting all versions of sight the listed in the compatibility chart. So if you want the greatest value, repeatability, and flexibility all in one American made mount, choose the TandemKross "Shadow" Mount V2! *Please Note* MLOCK hand-guards will require an additional adaptor for successful installation.

Safety Instruction Guide for SHADOW MOUNTS V2.0 FOR RUGER® PC CARBINE™

Introduction

Thank you for choosing the TandemKross Shadow Mount V2.0 for your Ruger® PC Carbine™. This guide provides important safety information and instructions to ensure the safe and effective use of the product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always verify that the firearm is unloaded and pointed in a safe direction before installing or adjusting the mount.
- Keep this product and all related accessories out of reach of children and unauthorized users.
- Regularly inspect the mount for any signs of wear or damage before each use.
- If you experience any issues or concerns with the product, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Do not use the mount with incompatible sights. Refer to the compatibility chart provided by the manufacturer.
- Ensure that the mount is securely attached before using the firearm.
- Avoid using excessive force when installing or adjusting the mount, as this may cause damage.
- Be aware that using the mount may alter the handling characteristics of your firearm. Practice safe handling and shooting techniques.
- Always wear appropriate eye and ear protection when using firearms.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a screwdriver and any additional adapters if required.

2. Installation Steps

- Remove the factory receiver mounted sight from the firearm.
- Align the TandemKross Shadow Mount with the barrel mount points.
- Securely attach the mount using the included hardware, ensuring all screws are tightened properly.
- If using MLOCK handguards, ensure to install the additional adaptor as per the manufacturer's instructions.

3. Sight Installation

- Select the compatible sight based on the compatibility chart.
- Follow the sight manufacturer's instructions for mounting the sight onto the Shadow Mount.
- Adjust the sight as necessary for optimal alignment.

4. Final Checks

- Verify that the mount and sight are securely attached.
- Conduct a function check to ensure proper operation before using the firearm.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product has reached the end of its life, dispose of it responsibly. Check local guidelines for proper disposal methods of firearm accessories.

Contact Information for Further Support

For any inquiries or support related to the TandemKross Shadow Mount V2.0, please refer to the manufacturer's contact details provided with the product packaging or visit the official website.

By following these guidelines and instructions, you can help ensure a safe and enjoyable experience with your TandemKross Shadow Mount V2.0 for Ruger® PC Carbine™. Thank you for prioritizing safety while using our product.
