

TEJAS GUN BELT HARDWARE KIT 1.5 - MAGPUL TEJAS BELT HARDWARE KIT - 1.5 INCH

[Shooting Accessories](#) > [Apparel](#) > [Accessories](#) > [Belts](#)

Using the same high-quality hardware that comes on their Tejas "El Original" Gun Belt, this hardware kit allows you to upgrade any belt that uses a standard 1-1/2" buckle and two removable screws. Magpul has updated the buckle design with a sleek profile that sits flat and minimizes printing, adding comfort and quality to your belt. Flat-sitting buckle for minimal printing that's compatible with a 1-1/2" belt Tool-free fasteners allow easy switch-out of buckles Features a custom buckle and screws with a brushed antique silver finish

TEJAS GUN BELT HARDWARE KIT Safety Instructions

Introduction

Thank you for choosing the TEJAS GUN BELT HARDWARE KIT. This guide provides important safety information to ensure the safe use and installation of your product. Please read this document carefully before use.

General Safety Guidelines

- Ensure that the hardware kit is used only for its intended purpose.
- Regularly check the belt and hardware for signs of wear or damage.
- Keep the hardware kit out of reach of children.
- Do not use the belt if any hardware components are missing or damaged.
- Follow all installation instructions carefully to avoid accidents.

Specific Safety Precautions for Use

- Inspect the buckle and screws before each use to ensure they are secure.
- Avoid using the belt in situations where it could become entangled or caught.
- Do not exceed the recommended weight limit for the belt.
- If you experience any discomfort while wearing the belt, remove it immediately.
- Be cautious when adjusting the belt to avoid pinching skin.

Instructions for Installation and Usage

1. Installation:

- Gather all components from the hardware kit: buckle, screws, and any necessary tools.
- Remove the existing buckle from your belt if applicable.
- Align the new buckle with the belt, ensuring it fits securely.
- Insert the screws into the designated holes and tighten them using a suitable tool.
- Ensure that the buckle sits flat against the belt and does not protrude.

2. Usage:

- Adjust the belt to fit comfortably around your waist.
- Ensure the buckle is securely fastened before engaging in any activities.
- Regularly check the tightness of the screws to ensure they remain secure during use.

Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- If the belt or hardware becomes damaged beyond repair, dispose of it in a way that prevents accidental use by children or others.

Contact Information for Further Support

For any safety inquiries or concerns regarding the TEJAS GUN BELT HARDWARE KIT, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your TEJAS GUN BELT HARDWARE KIT. Thank you for your attention to these important guidelines.
