GO BANG TRUCKER HATS Safety Instruction Guide

Introduction

Thank you for choosing the GO BANG TRUCKER HATS. This guide provides essential safety instructions to ensure the safe use of your hat. It is important to read and follow these guidelines to minimize any risks associated with the product.

General Safety Guidelines

- Ensure that the hat is used only for its intended purpose as a headwear accessory.
- Regularly inspect the hat for any signs of wear or damage. If any damage is found, discontinue use immediately.
- Keep the hat away from open flames and extreme heat to prevent material damage.
- Store the hat in a cool, dry place when not in use.
- Be aware of your surroundings while wearing the hat to avoid potential hazards.

Specific Safety Precautions for Use

- This product is not a safety helmet and does not provide protection against impacts or falling objects.
- Avoid wearing the hat in situations where it may obstruct your vision, particularly while driving or operating machinery.
- If you are prone to allergies, check the materials used in the hat (60% Cotton/40% Polyester) to ensure they do not cause any adverse reactions.
- The hat is designed for adults. Keep it out of reach of young children to avoid choking hazards from small parts or potential misuse.

Instructions for Installation and Usage

1. Fitting the Hat:

- Adjust the snap back closure to fit comfortably on your head.
- Ensure the hat is snug but not too tight to avoid discomfort.

2. Wearing the Hat:

- Place the hat on your head with the front panel facing forward.
- Ensure the hat sits comfortably on your head without obstructing your vision.

3. Cleaning Instructions:

- Hand wash the hat with mild soap and water.
- Do not machine wash or tumble dry.
- Allow the hat to air dry completely before wearing it again.

4. Storage:

- When not in use, store the hat in a cool, dry place away from direct sunlight to prevent fading and material degradation.

Disposal Instructions

- When the hat reaches the end of its life cycle, dispose of it in accordance with local waste management regulations.

- Consider recycling options, if available, to reduce environmental impact.
