Safety Instruction Guide for Magpul Wordmark Stretch Fit Hats

Introduction

Thank you for choosing the Magpul Wordmark Stretch Fit Hat. This guide provides essential safety instructions to ensure the safe use and maintenance of your new hat. Please read this guide carefully to understand how to use your product safely and responsibly.

General Safety Guidelines

- Ensure that the hat fits properly to avoid discomfort or potential hazards while wearing.
- Keep the hat away from open flames or extreme heat sources to prevent damage.
- Regularly inspect the hat for any signs of wear and tear. Discontinue use if any damage is observed.
- Store the hat in a cool, dry place when not in use to maintain its shape and quality.
- Do not use the hat as a safety helmet or for any purpose other than its intended use as headwear.

Specific Safety Precautions for Use

- Avoid wearing the hat while engaging in activities that may expose it to excessive moisture.
- Be cautious when using over-the-head hearing protection while wearing the hat, as the lack of a top button is designed for comfort but may affect fit.
- If you have sensitive skin or allergies, check the material composition (63% Polyester, 34% Cotton, 3% Spandex) to ensure compatibility with your skin.
- Keep the hat out of reach of small children to prevent choking hazards from any loose parts or materials.

Instructions for Installation and Usage

- To wear the hat, gently stretch the fabric to fit over your head. Ensure it sits comfortably around your crown.
- Adjust the position of the hat to ensure it is level and does not obstruct your vision.
- If the hat becomes soiled, clean it according to the care instructions provided on the label. Typically, spot cleaning is recommended.
- Avoid machine washing or drying, as this may damage the fabric and alter the fit.

Disposal Instructions

- When disposing of the hat, consider recycling options where available. Check local regulations for proper disposal methods.
- If the hat is damaged beyond repair, ensure it is disposed of in a way that prevents environmental harm.
