

WRAPTER RUBBER ADHESIVE GRIPS - HOGUE WRAPTER RUBBER GRIP GLOCK® 19 GEN 3, BLACK

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Utilizing the same precision fit standards as OverMolded® rubber grips, Hogue has engineered a remarkably thin grip solution for polymer frame pistols. In order to increase grip and performance, shooters have previously resorted to custom stippling which dramatically compromised their firearm's factory frame. The Hogue Wrapper Adhesive Grip System will provide superior grip and hold while preserving the original condition of the firearm. FEATURES
Renowned Hogue rubber feel Ultra thin profile - 30% thinner than a credit card
Engineered to conform to the exact contours of your firearm's frame Multi-piece design provides optimal coverage Left-over remnant material offers customization options

WRAPTER RUBBER ADHESIVE GRIPS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Hogue WRAPTER Rubber Adhesive Grips for your Glock® 19 Gen 3. This product is designed to enhance your grip and performance while preserving the original condition of your firearm. Please read this safety instruction guide carefully to ensure safe and effective use of the grips.

General Safety Guidelines

To ensure your safety and the safety of others, please observe the following guidelines:

- Always handle firearms with care and in accordance with local laws and regulations.
- Inspect the product before use to ensure it is free from defects.
- Keep the grips out of reach of children and unauthorized users.
- Do not use the grips if they appear damaged or worn.
- Follow all instructions for installation and usage to avoid accidents and injuries.

Specific Safety Precautions for Use

When using the Hogue WRAPTER Rubber Adhesive Grips, please consider the following precautions:

- Ensure that the firearm is unloaded before installation.
- Avoid contact with solvents or chemicals that may degrade the rubber material.
- Do not apply excessive force when installing the grips, as this may damage the firearm or the grips.
- Be cautious of any allergic reactions to rubber materials; discontinue use if irritation occurs.
- Regularly check the grips for wear or detachment, especially after extensive use.

Instructions for Installation and Usage

To ensure proper installation and usage of the Hogue WRAPTER Rubber Adhesive Grips, follow these steps:

1. Preparation:

- Clean the firearm's grip area with a mild solvent to remove any dirt or oil.
- Ensure the area is completely dry before proceeding.

2. Installation:

- Remove the backing from the adhesive side of the grip panels.
- Align the grip panels with the contours of the firearm's frame.
- Press down firmly on the grip panels to ensure a secure bond.
- Use the leftover remnant material for customization as desired.

3. Usage:

- Once installed, ensure that the grips are secure before using the firearm.
- Practice proper grip techniques while handling the firearm to maintain control and safety.

Disposal Instructions

When it comes to disposing of the Hogue WRAPTER Rubber Adhesive Grips, please follow these guidelines:

- Dispose of the grips in accordance with local waste disposal regulations.
- Do not incinerate the grips, as this may release harmful chemicals.
- If the grips are damaged or no longer usable, consider recycling if facilities are available.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Hogue WRAPTER Rubber Adhesive Grips, please contact your local Hogue distributor or authorized retailer for assistance. It is essential to have an EU-based contact for any product-related questions or issues.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your Hogue WRAPTER Rubber Adhesive Grips. Always prioritize safety and proper handling of your firearm. Thank you for your attention to these guidelines, and enjoy the enhanced performance of your grip.
