

WRAPTER RUBBER ADHESIVE GRIPS - HOGUE WRAPTER RUBBER GRIP GLOCK® 19 GEN 4, BLACK

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Utilizing the same precision fit standards as OverMolded® rubber grips, Hogue has engineered a remarkably thin grip solution for polymer frame pistols. In order to increase grip and performance, shooters have previously resorted to custom stippling which dramatically compromised their firearm's factory frame. The Hogue Wrapper Adhesive Grip System will provide superior grip and hold while preserving the original condition of the firearm. FEATURES
Renowned Hogue rubber feel
Ultra thin profile - 30% thinner than a credit card
Engineered to conform to the exact contours of your firearm's frame
Multi-piece design provides optimal coverage
Left-over remnant material offers customization options

WRAPTER RUBBER ADHESIVE GRIPS HOGUE WRAPTER RUBBER GRIP GLOCK® 19 GEN 4, BLACK Safety Instruction Guide

Introduction

Thank you for choosing the Hogue Wrapper Rubber Adhesive Grips for your Glock® 19 Gen 4. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only as intended for enhancing grip on your firearm.
- Store the product in a cool, dry place away from direct sunlight to maintain its integrity.
- Always check the product for any signs of wear or damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- If you experience any irritation or allergic reaction to the material, discontinue use immediately and consult a medical professional.

Specific Safety Precautions for Use

- Do not use the grips on firearms that are not compatible with the Hogue Wrapper system.
- Avoid exposing the grips to extreme temperatures or harsh chemicals, which may degrade the adhesive or rubber material.
- Ensure that the firearm is unloaded and pointed in a safe direction before installation.
- Regularly inspect the grips to ensure they remain securely attached to the firearm.
- Do not attempt to modify or alter the grips, as this may compromise safety and performance.

Instructions for Installation and Usage

1. Preparation:

- Ensure your Glock® 19 Gen 4 is unloaded and pointed in a safe direction.
- Clean the grip area of the firearm with a suitable cleaner to remove any oils or residues.

2. Installation:

- Peel off the backing from the adhesive side of the Wrapper grip.
- Carefully align the grip with the contours of your firearm's frame.
- Press the grip firmly onto the firearm, ensuring there are no air bubbles or wrinkles.
- Allow the adhesive to set for at least 24 hours before using the firearm to ensure maximum adhesion.

3. Usage:

- Grip the firearm securely using the newly installed Wrapper grip.
- Practice safe handling and shooting techniques at all times.
- If you experience any issues with grip performance, discontinue use and contact support.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding rubber and adhesive materials.
- Do not dispose of the product in regular household waste if local laws require special disposal methods.
- Consider recycling options for rubber materials where available.

Contact Information for Further Support

For any inquiries or concerns regarding the Hogue Wrapper Rubber Adhesive Grips, please contact the manufacturer directly. Ensure to have your product details handy for efficient support.

Conclusion

By following these safety instructions, you can enhance your shooting experience while ensuring the safe use of your Hogue Wrapper Rubber Adhesive Grips. Always prioritize safety and compliance with local laws and regulations. Thank you for your attention to these guidelines.
