

# WRAPTER RUBBER ADHESIVE GRIPS - HOGUE WRAPTER GRIP SIG P320 COMPACT, MEDIUM, BLACK

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Utilizing the same precision fit standards as OverMolded® rubber grips, Hogue has engineered a remarkably thin grip solution for polymer frame pistols. In order to increase grip and performance, shooters have previously resorted to custom stippling which dramatically compromised their firearm's factory frame. The Hogue Wrapter Adhesive Grip System will provide superior grip and hold while preserving the original condition of the firearm. FEATURES Renowned Hogue rubber feel Ultra thin profile - 30% thinner than a credit card Engineered to conform to the exact contours of your firearm's frame Multi-piece design provides optimal coverage Left-over remnant material offers customization options

## Attributes

# WRAPTER RUBBER ADHESIVE GRIPS SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the Hogue WRAPTER Rubber Adhesive Grips for your Sig P320 Compact. This guide is designed to provide you with essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before installation and usage.

## General Safety Guidelines

- **Product Safety:** This product is designed to be safe when used as intended. Ensure that you follow all safety guidelines provided in this manual to avoid any risks.
- **Enhanced Recalls:** In the event of any safety concerns or product recalls, you will be notified through standardized recall notices. Please keep an eye out for any updates.
- **Online Shopping:** If purchased online, you have the same safety protections as if you purchased from a physical store. Always ensure that the online platform meets safety requirements.
- **Special Consumer Focus:** Extra caution should be taken if the product is used around vulnerable groups, such as children. Always supervise their use of firearms.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided with your product packaging or on the manufacturer's website.
- **Rapid Alerts:** Stay informed about potential safety issues by checking the EU's Safety Gate platform for updates on unsafe products.

## Specific Safety Precautions for Use

- **Installation Surface:** Ensure that the firearm's surface is clean and dry before applying the adhesive grips.
- **Correct Fit:** Verify that the grips are compatible with your firearm model (Sig P320 Compact) to avoid improper installation.
- **Adhesive Curing:** Allow the adhesive to cure fully as per the instructions to ensure a secure fit.
- **Avoid Overstretching:** Do not overstretch the grips during installation as this may compromise their integrity.
- **Regular Inspections:** Periodically check the grips for any signs of wear or detachment. Replace if necessary.
- **Handling Firearms:** Always follow standard firearm safety protocols when handling your firearm, including keeping the firearm pointed in a safe direction.

## Instructions for Installation and Usage

### 1. Preparation:

- Clean the firearm's grip area with a suitable cleaner to remove any oils or residues.
- Dry the surface thoroughly before proceeding.

### 2. Applying the Grips:

- Carefully peel off the backing of the adhesive grips.
- Align the grips with the contours of the firearm's frame.
- Press firmly to ensure good adhesion, starting from one end and working towards the other.

### 3. Curing Time:

- Allow the grips to set undisturbed for at least 24 hours to ensure maximum adhesion. Avoid using the firearm during this period.

#### 4. Final Check:

- After the curing time, check that the grips are securely attached and do not shift or peel off.

#### 5. Usage:

- Handle your firearm with care, ensuring that your grip is firm and secure while aiming or shooting.

## Disposal Instructions

- **Product Disposal:** Dispose of any packaging materials in accordance with local waste disposal regulations.
- **Grip Replacement:** If you need to remove the grips for any reason, do so carefully to avoid damaging the firearm. Dispose of the grips responsibly, as they may not be recyclable.

## Contact Information for Further Support

For additional support or inquiries regarding the Hogue WRAPTER Rubber Adhesive Grips, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience with your Hogue WRAPTER Rubber Adhesive Grips. Thank you for prioritizing safety in your firearm handling and usage.
