

WRAPTER RUBBER ADHESIVE GRIPS - HOGUE WRAPTER RUBBER GRIP GLOCK® 26 GEN 3, BLACK

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Utilizing the same precision fit standards as OverMolded® rubber grips, Hogue has engineered a remarkably thin grip solution for polymer frame pistols. In order to increase grip and performance, shooters have previously resorted to custom stippling which dramatically compromised their firearm's factory frame. The Hogue Wrapper Adhesive Grip System will provide superior grip and hold while preserving the original condition of the firearm. FEATURES
Renowned Hogue rubber feel Ultra thin profile - 30% thinner than a credit card
Engineered to conform to the exact contours of your firearm's frame Multi-piece design provides optimal coverage Left-over remnant material offers customization options

WRAPTER RUBBER ADHESIVE GRIPS Safety Instructions

Introduction

Thank you for choosing the Hogue Wrapper Rubber Adhesive Grip for your Glock® 26 Gen 3. This product is designed to enhance your grip and improve performance while maintaining the integrity of your firearm. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is suitable for your specific firearm model.
- Always follow the manufacturer's instructions for installation and use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the grip for signs of wear or damage.
- In case of any malfunction or safety concern, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Avoid using the grip in wet or slippery conditions, as this may affect performance.
- Do not apply excessive force when gripping, as this could lead to loss of control.
- Ensure that the adhesive is properly applied and fully cured before use.
- If you experience any allergic reactions to the rubber material, discontinue use and consult a medical professional.

Instructions for Installation and Usage

1. Preparation:

- Clean the surface of your firearm's grip area thoroughly to remove any dirt, oil, or residue.
- Ensure the firearm is unloaded and safe to handle.

2. Installation:

- Carefully peel back the adhesive backing from the grip.
- Align the grip with the contours of your firearm's frame.
- Press down firmly to ensure a secure bond, starting from one end and moving to the other.
- Allow the adhesive to cure for the recommended time (refer to the manufacturer's instructions).

3. Usage:

- Once installed, familiarize yourself with the grip by practicing safe handling techniques.
- Regularly check the grip for secure adhesion and any signs of wear.

Disposal Instructions

- Dispose of any packaging materials responsibly by recycling where possible.
- If the grip becomes damaged or is no longer needed, dispose of it according to local waste disposal regulations.
- Do not incinerate the product, as it may release harmful substances.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the contact information provided by the manufacturer. It is essential to reach out to them for guidance and support.

By following these safety instructions, you can ensure a safe and effective experience with your Hogue Wrapper Rubber Adhesive Grip. Thank you for your attention to safety, and enjoy your enhanced shooting experience.
