

WRAPTER RUBBER ADHESIVE GRIPS - HOGUE WRAPTER RUBBER GRIP GLOCK® 26 GEN 4, BLACK

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Utilizing the same precision fit standards as OverMolded® rubber grips, Hogue has engineered a remarkably thin grip solution for polymer frame pistols. In order to increase grip and performance, shooters have previously resorted to custom stippling which dramatically compromised their firearm's factory frame. The Hogue Wrapper Adhesive Grip System will provide superior grip and hold while preserving the original condition of the firearm. FEATURES
Renowned Hogue rubber feel Ultra thin profile - 30% thinner than a credit card
Engineered to conform to the exact contours of your firearm's frame Multi-piece design provides optimal coverage Left-over remnant material offers customization options

WRAPTER RUBBER ADHESIVE GRIPS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the Hogue Wrapper Rubber Adhesive Grips for your Glock® 26 Gen 4. This product is designed to enhance your grip and shooting experience while preserving the original condition of your firearm. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is suitable for your specific firearm model (Glock® 26, 27, 33, Gen 4).
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe product conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not apply the grip if your firearm is loaded. Always ensure the firearm is unloaded before installation.
- Avoid using the grip in wet or slippery conditions, as this may affect grip performance.
- Be cautious when customizing the grip with leftover remnant material to avoid sharp edges that could cause injury.
- Regularly inspect the grip for wear and tear. Replace it if it becomes damaged or compromised.
- If experiencing difficulties with grip performance, cease use immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation:

- Clean the surface of the firearm's frame thoroughly to remove any dirt, oil, or residue.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Installation:

- Peel off the backing from the adhesive side of the grip.
- Align the grip with the contours of your firearm's frame.
- Press the grip firmly onto the frame, ensuring there are no air bubbles trapped underneath.
- Smooth out any wrinkles or air pockets by applying even pressure.

3. PostInstallation:

- Allow the adhesive to cure for at least 24 hours before using the firearm.
- Test the grip for stability and comfort before engaging in any shooting activities.

Disposal Instructions

- Dispose of any unused or damaged grip materials in accordance with local waste disposal regulations.
- Do not incinerate the product as it may release harmful fumes.
- Ensure that any packaging materials are recycled or disposed of responsibly.

Contact Information for Further Support

For any inquiries regarding the safety or performance of the Hogue Wrapper Rubber Adhesive Grips, please consult your local dealer or the manufacturer's website for additional support and resources.

Thank you for prioritizing safety while using the Hogue Wrapper Rubber Adhesive Grips. Enjoy your enhanced shooting experience!
