

WRAPTER RUBBER ADHESIVE GRIPS - HOGUE WRAPTER RUBBER GRIP GLOCK® 19 GEN 1-2, BLACK

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Utilizing the same precision fit standards as OverMolded® rubber grips, Hogue has engineered a remarkably thin grip solution for polymer frame pistols. In order to increase grip and performance, shooters have previously resorted to custom stippling which dramatically compromised their firearm's factory frame. The Hogue Wrapper Adhesive Grip System will provide superior grip and hold while preserving the original condition of the firearm. FEATURES
Renowned Hogue rubber feel Ultra thin profile - 30% thinner than a credit card
Engineered to conform to the exact contours of your firearm's frame Multi-piece design provides optimal coverage Left-over remnant material offers customization options

WRAPTER RUBBER ADHESIVE GRIPS Safety Instruction Guide

Introduction

Thank you for choosing the Hogue WRAPTER Rubber Adhesive Grips for your Glock® 19 Gen 12. This guide provides important safety instructions and guidelines to ensure the safe and effective use of the product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure the product is suitable for your firearm model before installation.
- Inspect the product for any signs of damage or defects before use.
- Keep the product out of reach of children and vulnerable individuals.
- Do not use the product if it shows any signs of wear or damage.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Avoid using the grips in extreme temperatures or conditions that may affect adhesion.
- Do not apply excessive force when installing or adjusting the grips.
- Ensure that the firearm is unloaded before applying or removing the grips.
- Be cautious of the adhesive when removing the grips, as it may leave residue on the firearm.
- Do not use the grips as a substitute for proper firearm handling and safety practices.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is completely unloaded.
- Clean the surface of the firearm where the grips will be applied using a suitable cleaner.

2. Installation

- Carefully peel the backing off the adhesive side of the grip.
- Align the grip with the contours of your firearm's frame.
- Press firmly to ensure a secure bond, starting from one end and moving to the other.
- Allow the adhesive to set for the recommended time before using the firearm.

3. Usage

- Regularly check the grip for secure adhesion and signs of wear.
- If the grip begins to peel or shows signs of damage, remove and replace it immediately.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the grips need to be replaced, follow local guidelines for disposing of rubber products.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Hogue WRAPTER Rubber Adhesive Grips, please refer to the EU-based contact point provided with your product packaging or visit the manufacturer's website for further

assistance.

Conclusion

By following the guidelines and instructions provided in this safety instruction guide, you can ensure the safe and effective use of your Hogue WRAPTER Rubber Adhesive Grips. Always prioritize safety and remain informed about best practices for firearm accessories. Thank you for your attention to these important safety measures.
