**SMART-TORQ® PRECISION TORQUE DRIVER** The Real Avid Smart-Torq® Precision Torque Driver is an advanced torque driver specifically developed for optics mounting and firearm builds, ensuring precise and consistent torque application to critical components. Key Features: Adjustable Torque Settings: Provides discrete inch-pound increment settings, allowing for spot-on torque adjustments tailored to specific firearm requirements. Ergonomic Grip with Force Assist: Designed with a comfortable grip and Force Assist mechanism, facilitating easy tool manipulation and reducing user fatigue during extended use. Intuitive Feedback System: Equipped with visual, tactile, and audible feedback to provide confident assurance of achieving the desired torque setting. Comprehensive Bit Set: Includes 12 of the most commonly used gun bits, ensuring compatibility with a wide range of firearm components.

Specifications: Torque Range: Adjustable in precise inch-pound increments. Included Bits: 12 commonly used gun bits. Fitment: Bit set fits most optics mounting ring and base brands. Customer Insights: Our customers appreciate the Real Avid Smart-Torq® Precision Torque Driver for its precision and user-friendly design. The adjustable torque settings and intuitive feedback system provide confidence during firearm assembly and maintenance. The ergonomic grip enhances comfort, and the inclusion of commonly used bits adds to its versatility. Some customers have noted that the tool's compact design makes it convenient for both bench and field use. Incorporating the Real Avid Smart-Torq® Precision Torque Driver into your gunsmithing toolkit ensures precise torque application, enhancing the reliability and performance of your firearms. Its thoughtful design and comprehensive features make it an essential tool for both professional gunsmiths and firearm enthusiasts.

## Attributes

- Name: [REAL AVID SMART-TORQ PRECISION TORQUE DRIVER](#)
- Manufacturer: [REAL AVID](#)
- Product no.: 100041456
- Mfr. No.: AVSTORQ
- Style: Torque Wrenches
- Delivery weight: 0.907kg
- Shipping height: 70mm
- Shipping width: 178mm
- Shipping length: 292mm
- UPC: 813119013034

# SMARTTORQ® Precision Torque Driver Safety Instructions

## Introduction

Thank you for choosing the Real Avid SmartTorq® Precision Torque Driver. This advanced tool is designed to provide precise torque application for optics mounting and firearm builds. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure the torque driver is used in accordance with the manufacturer's instructions.
- Always inspect the tool before use for any signs of damage or wear.
- Keep the tool out of reach of children and vulnerable individuals.
- Use the torque driver only for its intended purpose.
- Be aware of your surroundings and ensure the work area is clear and safe.
- Do not use the tool in wet or damp conditions.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Adjustable Torque Settings:** Always select the appropriate torque setting for your specific firearm requirements. Incorrect settings can lead to damage or injury.
- **Ergonomic Grip:** Use the ergonomic grip to maintain control of the tool and reduce fatigue during extended use.
- **Feedback System:** Pay attention to the visual, tactile, and audible feedback to ensure you have reached the desired torque setting.
- **Bit Compatibility:** Ensure that the bits used are compatible with the firearm components. Using incorrect bits may lead to damage or unsafe conditions.
- **Proper Handling:** Always handle the tool with care. Avoid dropping or mishandling it to prevent damage.

## Instructions for Installation and Usage

### 1. Selecting the Torque Setting:

- Adjust the torque setting by turning the dial to the desired inchpound increment.
- Refer to your firearm's specifications for the recommended torque values.

### 2. Using the Torque Driver:

- Attach the appropriate bit to the torque driver.
- Firmly grip the handle and position the bit on the fastener.
- Apply pressure and turn the handle until you receive feedback (visual, tactile, or audible) indicating the correct torque has been reached.

### 3. PostUse Care:

- After use, clean the tool to remove any debris or residue.
- Store the torque driver in a safe, dry location away from children.

## Disposal Instructions

- Dispose of the SmartTorq® Precision Torque Driver in accordance with local regulations.
- Do not dispose of the tool in household waste. Check for local electronic waste recycling programs.

## Contact Information for Further Support

For any inquiries or support regarding the SmartTorq® Precision Torque Driver, please refer to the manufacturer's contact details provided with the product packaging or on their official website.

By following these safety instructions, you can ensure the safe and effective use of your Real Avid SmartTorq® Precision Torque Driver. Thank you for your attention to safety, and enjoy your tool!
