

# MASTER SIGHT PUSHER - REAL AVID MASTER SIGHT PUSHER

[Gunsmith Tools](#) > [Sight & Scope Installation Tools](#) > [Sight Movers](#)

The Master Sight Pusher is a professional grade tool that makes quick work of changing pistol sights while protecting both gun slides and the sights themselves. Heavy-duty, built to last and smartly designed to work on almost all modern pistol sights. The over-sized, ergonomic Easy Torque Handle partners with extra fine drive threads to provide maximum torque with minimal effort when removing or installing sights. The Universal Press Block features multiple contact surfaces for almost any size and style of press-fit dovetail slots and sight profiles. Adjustable non-marring contact surfaces securely hold both 1911 and flat bottom pistol slide styles.

# MASTER SIGHT PUSHER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Master Sight Pusher by REAL AVID. This professionalgrade tool is designed to facilitate the safe and efficient installation and removal of pistol sights. To ensure your safety and the longevity of the product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the Master Sight Pusher is used in a welllit area to avoid accidents.
- Always wear appropriate safety gear, such as safety glasses, when using this tool.
- Keep the tool out of reach of children and pets.
- Do not use the tool for any purpose other than its intended use.
- Inspect the Master Sight Pusher for any damage before use. Do not use if damaged.
- Follow all local laws and regulations regarding firearm modifications.

## Specific Safety Precautions for Use

- Use the Master Sight Pusher only on compatible pistol sights. Refer to the manufacturer's specifications for compatibility.
- Ensure the firearm is unloaded and pointed in a safe direction before beginning any work.
- Do not apply excessive force when using the tool to avoid damaging the firearm or the sights.
- Always secure the firearm in a stable position to prevent movement during the sight installation or removal process.
- Do not allow any part of your body to be in line with the tool's operation area during use.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is unloaded. Verify that there are no rounds in the chamber.
- Gather all necessary tools and materials, including the Master Sight Pusher, compatible sights, and any additional tools required for your specific firearm.

### 2. Setting Up the Tool

- Place the Universal Press Block on a stable surface.
- Adjust the nonmarring contact surfaces to fit the specific style of your pistol slide (1911 or flat bottom).

### 3. Installing or Removing Sights

- Position the firearm in the Master Sight Pusher, ensuring it is secured and stable.
- Align the sight with the dovetail slot on the firearm.
- Gradually turn the Easy Torque Handle to apply pressure. Monitor the alignment of the sight throughout the process.
- For removal, reverse the procedure, applying gentle pressure until the sight is free.
- Check that the sight is properly installed or removed before proceeding.

### 4. PostUse Care

- Clean the Master Sight Pusher after each use to maintain its functionality.
- Store the tool in a dry place, away from moisture and extreme temperatures.

## Disposal Instructions

- Dispose of the Master Sight Pusher responsibly. If the tool is no longer functional or needed, consider recycling it according to local regulations.
- Do not dispose of the tool in regular household waste if it can be recycled.

## Contact Information for Further Support

For any safety inquiries or further support regarding the Master Sight Pusher, please refer to the manufacturer's contact details provided with your purchase.

## Conclusion

By following these safety instructions, you ensure not only your safety but also the effective use of the Master Sight Pusher. Always prioritize safety and compliance with local regulations when using this tool. Thank you for your attention, and enjoy your experience with the Master Sight Pusher.
