## A Fixed BattleSight for Your Tactical Rifle

Having a fixed front sight on your rifle means having a durable, bombproof, accurate aiming point you know you can count on in any scenario. The Troy HK-Style Front BattleSight is a dedicated option that's trusted by special-operations professionals, so you know you can count on it for your dedicated defensive or range rig. These Troy BattleSights provide a different option compared to the standard, boring A2 front sight. In addition to being rail-mounted instead of permanently affixed, these BattleSights can be moved and situated to fit your needs and your rifle configuration, rather than you working around the A2 front sight. The BattleSight is designed to work on guns with a front rail on the same plane as the receiver. It will not work on a railed gas block sitting above or below the same plane as a flattop AR receiver. Each Troy BattleSight is machined from aluminum and treated with a durable, matte-black finish.

# Safety Instruction Guide for AR15 HKStyle Front Battle Sight

## Introduction

Thank you for choosing the AR15 HKStyle Front Battle Sight by Troy Industries. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your new front sight. Please read this document carefully to understand how to use, install, and dispose of the product safely.

## General Safety Guidelines

- Ensure the product is suitable for your specific firearm model before installation.
- Always handle firearms safely and responsibly, following all applicable laws and regulations.
- Store the front sight in a cool, dry place when not in use to prevent damage.
- Regularly inspect the front sight for any signs of wear or damage.
- If you notice any defects or issues, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Use the front sight only on firearms that are compatible with railmounted accessories.
- Do not attempt to modify or alter the front sight in any way, as this can compromise safety and functionality.
- Ensure that the front sight is securely mounted before use to avoid accidents during operation.
- Keep the area around the firearm clear of obstructions and unauthorized personnel when aiming or firing.
- Always wear appropriate eye and ear protection when using firearms.

## Instructions for Installation and Usage

### Installation Instructions

1. **Check Compatibility:** Ensure your firearm has a front rail that is on the same plane as the receiver.
2. **Remove Existing Sight:** If applicable, carefully remove any existing front sight from your firearm.
3. **Position the Battle Sight:** Align the Troy HKStyle Front Battle Sight with the rail on your firearm.
4. **Secure the Sight:** Tighten the mounting screws using the appropriate tool until the sight is firmly attached. Do not overtighten, as this may damage the sight or firearm.
5. **Verify Stability:** Gently shake the sight to ensure it is securely mounted and does not move.

### Usage Instructions

1. **Aiming:** Use the fixed front sight as your primary aiming point. Align it with your rear sight for accurate targeting.
2. **Adjustments:** If necessary, adjust your shooting stance or position rather than attempting to adjust the sight.
3. **Regular Checks:** Before each use, check that the sight is secure and free from obstructions.

## Disposal Instructions

- Dispose of the front sight responsibly, following local regulations for electronic and metal waste.
- If the product is damaged or no longer needed, consider recycling materials where possible.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the AR15 HKStyle Front Battle Sight, please contact the manufacturer directly. Ensure you have your product information ready for a quicker response.

By following these instructions and guidelines, you can ensure the safe and effective use of your AR15 HKStyle Front Battle Sight. Thank you for prioritizing safety and responsible firearm use.
