## A Dedicated Magazine for Your Pistol-Caliber Carbine

MAGPUL PMAG D-50® GL9® - PCC 9MM LUGER DRUM MAGAZINE FOR GLOCK® Lightweight but incredibly strong, Magpul's PMAG D-50 GL9 - PCC is a highly-reliable, 9x19mm Parabellum, 50-round drum magazine for many large-format pistols and pistol caliber carbines that feed from double-stack 9mm GLOCK® pattern magazines.\* The Magpul D-50 GL9 - PCC boasts many of the proven features of its 5.56 and 7.62 predecessors, the PMAG D-60® AR/M4 and PMAG D-50® LR/SR GEN M3™, while providing the user with a similar magazine capacity increase. Providing 50-round capacity, the unique drum configuration keeps the height of the magazine manageable, allowing for prone firing and easier storage. For easy loading, it includes a ratcheting loading lever that removes tension from the internal spring. To keep track of your available firepower, we've included a rounds-remaining rear window, a high-visibility follower and a capacity indication roller. Easily disassembled for cleaning and featuring an innovative bolt hold-open feature, the D-50 GL9 - PCC reliably locks the bolt back on empty when used with firearms designed to lock back on GLOCK pattern magazine followers. FEATURES Rugged Construction - Next-generation impact and crush-resistant polymer construction Robust stainless-steel internals that withstand corrosion and long-term loaded storage with no loss of function, spring fatigue, or reliability concerns Easy to load and operate - Ratcheting loading lever for easy loading Simple disassembly and reassembly Dependable Visual Features - High-visibility follower and rounds-remaining window; Paint pen dot matrix Made in the USA. SPECS Collection: Drums Caliber: 9x19mm Parabellum Platform: Other Capacity: 50 rounds Weight: 16 oz. Compatibility: Most 9x19mm Parabellum pistol caliber carbines and large-format pistols with double-stack 9mm GLOCK-pattern magazine wells \*NOTE: NOT compatible with any GLOCK Handguns. NOT Compatible with Sylvan Arms AR-15 f/9mm Glock Conversion Block GCB100 Due to magazine well geometry, the GL9 - PCC will not seat in the B&T GHM9. Also, the GL9 - PCC will not seat in the Kel-Tec Sub-2000, however the PMAG D-50® GL9® - GLOCK® (MAG1033) will seat correctly. # PCC PMAG™ D50 GL9™ Magazine Safety Instructions

## Introduction

Thank you for choosing the PCC PMAG™ D50 GL9™ Magazine for your Glockcompatible pistolcaliber carbine. This safety instruction guide is designed to ensure the safe and effective use of your magazine in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using your product.

## General Safety Guidelines

- Ensure safe use of the PCC PMAG™ D50 GL9™ Magazine by following these guidelines:
  - Always treat the magazine as if it is loaded.
  - Store the magazine in a secure location, out of reach of children and unauthorized users.
  - Regularly inspect the magazine for any signs of damage or wear.
  - Use only compatible firearms designed for Glockpattern magazines.
  - Always follow the manufacturer's instructions for your firearm.

## Specific Safety Precautions for Use

- When using the PCC PMAG™ D50 GL9™ Magazine, adhere to the following precautions:
  - Do not attempt to use this magazine in Glock handguns, as it is not compatible.
  - Ensure the magazine is properly seated in the firearm before use.
  - Avoid overloading the magazine beyond its 50round capacity.
  - Be cautious when loading and unloading the magazine to prevent injury.
  - Always keep the muzzle pointed in a safe direction when handling the firearm.

## Instructions for Installation and Usage

- Follow these steps for the proper installation and usage of the PCC PMAG™ D50 GL9™ Magazine:

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into place until it clicks.

### 2. Loading the Magazine:

- Use the ratcheting mechanism for easier loading.
- Fill the magazine with 9mm Luger cartridges, ensuring not to exceed the 50round capacity.
- Check the rear window to confirm the number of rounds loaded.

### 3. Using the Magazine:

- Insert the magazine into the firearm as described above.
- Ensure the bolt holdopen feature functions correctly by checking the magazine's compatibility with your firearm.

### 4. Unloading the Magazine:

- Point the firearm in a safe direction.

- Remove the magazine by pressing the magazine release button.
- Unload the cartridges carefully.

## **Disposal Instructions**

- Dispose of the PCC PMAG™ D50 GL9™ Magazine responsibly:
  - Do not dispose of the magazine in regular household waste.
  - Check local regulations for the proper disposal of polymer materials.
  - Consider recycling options where available.

## **Contact Information for Further Support**

- For any safety inquiries or further assistance, please refer to the manufacturer's contact information provided with your product packaging.

## **Conclusion**

By following these safety instructions, you can ensure the proper and safe use of the PCC PMAG™ D50 GL9™ Magazine. Your safety and the safety of those around you is of utmost importance. Thank you for your attention to these guidelines.
