A Dedicated Drum Mag for Your CZ Scorpion EVO 3

PMAG D-50® EV9™ 9MM LUGER MAGAZINE FOR CZ SCORPION® EVO 3/3+ Magpul's PMAGs are known for their unsurpassed reliability, durability and ease-of-use. The PMAG D-50 EV9 remains true to these qualities, while also significantly increasing the capacity of Magpul's PMAG® 35 EV9™ - CZ Scorpion® EVO3/3+ magazine. The D-50 EV9 is a lightweight, 50-round, 9x19mm Parabellum drum magazine designed for large-format pistols and pistol-caliber carbines that feed from CZ Scorpion EVO4 pattern magazines. Incorporating many of the proven features of its 5.56 and 7.62 predecessors, the unique drum configuration keeps the height of the magazine manageable, allowing for prone firing and easy storage in a design that cuts down on time-critical reloads. For easy loading, it includes a ratcheting loading lever that removes tension from the spring. To keep track of your available firepower Magpul included a rounds-remaining rear window and a high-visibility follower. Magpul also incorporated an innovative bolt hold-open feature that reliably locks the bolt back on the last round on those firearms compatible with standard CZ Scorpion EVO 3/3+ magazine followers. FEATURES Next-generation impact and crush-resistant polymer construction Robust stainless-steel internals that withstand corrosion and long-term loaded storage with no loss of function Ratcheting loading lever for easy loading Simple disassembly for cleaning and easy re-assembly High visibility follower tip and rounds remaining window Paint pen dot matrix SPECS Collection: Drums Caliber: 9x19mm Parabellum Platform: CZ Scorpion® EVO3 and 3+ Capacity: 50 Rounds Weight: 15.6 oz. Compatibility: Compatible with CZ Scorpion EVO 3/3+ magazine wells.

PMAG D50® EV9™ 9MM LUGER MAGAZINE FOR CZ SCORPION® EVO 3/3+

Consumer Safety Instructions

Introduction

Thank you for choosing the PMAG D50® EV9™ 9MM LUGER MAGAZINE. This guide provides essential safety instructions and information to ensure the safe use of your magazine. Please read this document carefully before use.

General Safety Guidelines

- Ensure that the magazine is compatible with your firearm before use. It is designed specifically for the CZ Scorpion® EVO 3 and 3+ models.
- Always handle the magazine with care to prevent accidental discharge of your firearm.
- Keep the magazine out of reach of children and unauthorized users.
- Regularly inspect the magazine for signs of wear or damage. Do not use if damaged.
- Be aware of your surroundings and ensure a safe environment when loading, unloading, or firing your firearm.
- Follow all local laws and regulations regarding the use and possession of firearm magazines.

Specific Safety Precautions for Use

- Always ensure the firearm is pointed in a safe direction when loading or unloading the magazine.
- Use only 9x19mm Parabellum ammunition with this magazine.
- Do not attempt to modify the magazine in any way, as this could compromise its safety and functionality.
- When loading, use the ratcheting loading lever to relieve spring tension and facilitate easier loading.
- Be cautious of the bolt holdopen feature. Ensure that it is functioning correctly to prevent malfunctions during operation.
- Avoid exposing the magazine to extreme temperatures, moisture, or corrosive materials.

Instructions for Installation and Usage

1. Installation

- Ensure your firearm is unloaded and pointed in a safe direction.
- Align the magazine with the magazine well of the CZ Scorpion® EVO 3/3+.
- Firmly push the magazine into the magazine well until it clicks into place.

2. Loading the Magazine

- Use the ratcheting loading lever to relieve tension.
- Insert rounds into the magazine, ensuring they are seated correctly.
- Monitor the rounds remaining through the highvisibility follower and rear window.

3. Usage

- Load the magazine into your firearm only when you are ready to shoot.
- Fire your firearm following all safety protocols and guidelines.
- After firing, remove the magazine and store it safely.

4. Unloading the Magazine

- Remove the magazine from the firearm.

- Use the ratcheting loading lever to relieve tension, allowing for easier unloading.
- Remove any remaining rounds carefully and store them appropriately.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations on firearm accessories and materials.
- Do not throw the magazine in regular trash. Check for local recycling programs that accept polymer materials.
- If the magazine is damaged beyond repair, consider contacting a local waste management facility for proper disposal options.

Contact Information for Further Support

For any inquiries regarding safety, usage, or compatibility, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your PMAG D50® EV9™ 9MM LUGER MAGAZINE. Always prioritize safety and adhere to local laws regarding firearm use. Thank you for your attention to these important safety guidelines.
