## An AK-47 Magazine You Can Afford to Stockpile

Let's face it, you can't just have one, two or even a few AK mags. You're not a true AK enthusiast until you have plastic bins filled with loaded magazines, and the US Palm AK30R Magazines are priced low so you can grab enough to fill out your stockpile. Best of all, the company has bowed to consumer demands and now offers these magazines in both black and flat dark earth finishes. Each US Palm AK30R magazine is designed for use in the iconic AK-47 and its semi-automatic clones chambered in 7.62x39mm. Reliability was priority one when designing this magazine, so the unit features a self-cleaning follower that's made from polymer. The classic look of the waffle-and-tread design only from US Palm also aids in handling, as you can get a solid grip on this mag, no matter the weather.

# Safety Instruction Guide for US Palm AK30R Magazines

## Introduction

Thank you for choosing the US Palm AK30R Magazine for your AK47. This guide provides essential safety instructions to ensure the safe use and handling of your magazine. Please read this document carefully and follow all guidelines to minimize risks associated with the use of this product.

## General Safety Guidelines

- Ensure that the magazine is designed for use with the AK47 and compatible semiautomatic clones chambered in 7.62x39mm.
- Always handle the magazine with care, treating it as you would a firearm.
- Keep the magazine out of reach of children and unauthorized users.
- Regularly inspect the magazine for any signs of damage or wear before use.
- Store the magazine in a cool, dry place when not in use.
- Be aware of your surroundings when loading or unloading the magazine to prevent accidents.
- Follow all local laws and regulations regarding the possession and use of firearm magazines.

## Specific Safety Precautions for Use

- Always ensure that the firearm is pointed in a safe direction when loading or unloading the magazine.
- Do not attempt to forcefully load or unload the magazine; if resistance is encountered, check for obstructions.
- Use only 7.62x39mm cartridges with the US Palm AK30R Magazine. Using incorrect ammunition may result in malfunction or injury.
- Avoid exposing the magazine to extreme temperatures or harsh chemicals, as these can damage the polymer material.
- If the magazine fails to feed properly, remove it from the firearm immediately and inspect it for issues.
- Do not modify the magazine in any way, as this can compromise safety and reliability.

## Instructions for Installation and Usage

### 1. Loading the Magazine

- Ensure the magazine is clean and free from debris.
- Hold the magazine with the feed lips facing up.
- Insert the first round into the magazine, pushing it down until it locks into place.
- Continue inserting rounds until the magazine is fully loaded (30 rounds).
- Ensure that the last round is seated properly.

### 2. Installing the Magazine in the Firearm

- With the firearm pointed in a safe direction, insert the loaded magazine into the magazine well until it clicks into place.
- Ensure that the magazine is fully seated before attempting to fire.

### 3. Removing the Magazine

- To remove the magazine, press the magazine release button on the firearm.
- Pull the magazine out of the magazine well while keeping the firearm pointed in a safe direction.

#### **4. Unloading the Magazine**

- Remove the magazine from the firearm as described above.
- Press down on the follower with your thumb to allow each round to be removed safely.
- Store the magazine in a safe location after unloading.

### **Disposal Instructions**

- When disposing of the magazine, follow local regulations regarding the disposal of firearmrelated products.
- If the magazine is damaged or no longer usable, consider recycling the polymer material if applicable.
- Ensure that the magazine is rendered unusable before disposal to prevent unauthorized use.

### **Contact Information for Further Support**

For any questions or concerns regarding the use of your US Palm AK30R Magazine, please contact the manufacturer or refer to the official website for additional resources and support.

### **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your US Palm AK30R Magazine. Remember to always prioritize safety and adhere to local laws and regulations regarding firearm use. Thank you for being a responsible firearm owner.
