An AK-47 Magazine You Can Afford to Stockpile

Let's face it, you can't just have one, two or even a few AK mags. You're not a true AK enthusiast until you have plastic bins filled with loaded magazines, and the US Palm AK30R Magazines are priced low so you can grab enough to fill out your stockpile. Best of all, the company has bowed to consumer demands and now offers these magazines in both black and flat dark earth finishes. Each US Palm AK30R magazine is designed for use in the iconic AK-47 and its semi-automatic clones chambered in 7.62x39mm. Reliability was priority one when designing this magazine, so the unit features a self-cleaning follower that's made from polymer. The classic look of the waffle-and-tread design only from US Palm also aids in handling, as you can get a solid grip on this mag, no matter the weather.

Safety Instruction Guide for US Palm AK30R 30Round Magazine

Introduction

Thank you for choosing the US Palm AK30R 30Round Magazine. This guide provides important safety instructions and guidelines to ensure the safe use and handling of this product. Please read this manual carefully before using the magazine.

General Safety Guidelines

- Ensure that all users are familiar with the operation and handling of firearms and magazines.
- Always handle magazines with care, treating them as if they are loaded.
- Store magazines in a secure location away from children and unauthorized users.
- Regularly inspect the magazine for any signs of damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding the use and storage of firearms and ammunition.

Specific Safety Precautions for Use

- Do not exceed the magazine's capacity. This magazine is designed for 30 rounds of 7.62x39mm ammunition.
- Avoid exposing the magazine to extreme temperatures, moisture, or chemicals that may compromise its integrity.
- Ensure that the magazine is properly seated in the firearm before use.
- Do not attempt to modify or disassemble the magazine, as this may lead to malfunction or injury.
- Always wear appropriate eye and ear protection when using firearms.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before inserting the magazine.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into place until you hear a click, indicating it is securely attached.

2. Usage:

- Load the magazine by inserting rounds into the magazine feed lips, ensuring they are seated properly.
- Avoid overloading the magazine, as this may cause feeding issues.
- To remove the magazine, press the magazine release button on the firearm and gently pull the magazine out.

3. Maintenance:

- Clean the magazine regularly using a soft cloth and a mild cleaning solution.
- Avoid using abrasive materials that may scratch or damage the magazine surface.
- Inspect the follower and spring for proper function and replace if necessary.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations regarding firearms and ammunition disposal.

- Do not throw the magazine in regular household waste. Contact a local waste management facility for proper disposal methods.

Contact Information for Further Support

For any inquiries related to safety or product information, please refer to the manufacturer's website or customer service for assistance.

By following these guidelines, you can help ensure the safe and effective use of your US Palm AK30R 30Round Magazine. Thank you for your attention to safety.
