

# GT™ HAMMER EXTENSIONS - GROVTEC US EXTENSION FITS MARLIN MODEL 36 '36-'47, MODEL 336 '48-'56

[Rifle Parts](#) > [Triggers Parts](#) > [Hammer Parts](#) > [Hammer Hardware](#)

## For Easier Access & Faster Cocking

Clamp-on steel extension adds a serrated lever to the side of the hammer spur to give your thumb a large, easy-to-find horizontal grasping surface. A must-have if using a low-mounted scope, heavy gloves, or you just want a hammer that's easy to grasp under stress or in wet weather. Hollow design keeps weight to a minimum, so hammer speed and locktime are unaffected. Holds tight on left or right side of hammer with steel Allen head screw.

## Attributes

- Name: [GROVTEC US EXTENSION FITS MARLIN MODEL 36 '36-'47, MODEL 336 '48-'56](#)
- Manufacturer: [GROVTEC US](#)

# GT™ Hammer Extensions Consumer Safety Instruction Guide

## Introduction

Thank you for choosing the GT™ Hammer Extensions designed for Marlin Model 36 and Model 336. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual carefully before use.

## General Safety Guidelines

- Ensure that the product is installed correctly and securely before use.
- Always handle firearms with care and follow all safety protocols related to firearm use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the hammer extension for any signs of wear or damage.
- If you notice any issues with the product, discontinue use immediately and contact support.

## Specific Safety Precautions for Use

- Use the hammer extension only with compatible Marlin models (Model 36 and Model 336).
- Do not use the hammer extension if it appears damaged or compromised in any way.
- Avoid using excessive force when installing or adjusting the hammer extension.
- Be aware of your surroundings and ensure a safe environment when using the firearm with the extension.
- Wear appropriate safety gear, such as gloves, when handling firearms, especially in wet conditions.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction before installation.
- Locate the hammer spur on your Marlin Model 36 or Model 336.
- Position the hammer extension on the side of the hammer spur.
- Secure the extension using the steel Allen head screw provided, ensuring it is tightly fastened.
- Check that the extension is firmly in place before proceeding to use the firearm.

### 2. Usage:

- When using the hammer extension, ensure your thumb is positioned on the horizontal grasping surface.
- Practice using the hammer extension in a safe environment to become familiar with its operation.
- If using a lowmounted scope or wearing gloves, ensure that your grip remains secure on the hammer extension.

## Disposal Instructions

- Dispose of the hammer extension in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for metal components when applicable.

## Contact Information for Further Support

For safety inquiries or concerns regarding the GT™ Hammer Extensions, please reach out to the appropriate

support channels available in your region. Always refer to the official website or authorized dealers for the latest information.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure the safe and effective use of your GT™ Hammer Extensions. Thank you for prioritizing safety and responsibility in your firearm use.
