# TRIBASE BUFFER TUBE SLING MOUNT SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for purchasing the TRIBASE BUFFER TUBE SLING MOUNT by GROVTEC US. This product is designed to enhance your firearm's functionality by providing three sling mounting positions. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the product is used only with milspec buffer tubes.
- Always follow local laws and regulations regarding the use of firearm accessories.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sling mount for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Installation Safety:** Do not attempt to install the sling mount while the firearm is loaded. Ensure the firearm is pointed in a safe direction during installation.
- **Operational Safety:** Always check that the sling is securely attached before use. Avoid overloading the sling mount beyond its intended capacity.
- **Maintenance Safety:** Clean the sling mount regularly to prevent corrosion and ensure optimal performance. Use only recommended cleaning materials that do not damage the finish.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Use the included Allen key tool to secure the sling mount onto the milspec buffer tube.
- Tighten the screws firmly, but avoid overtightening which may damage the buffer tube.
- Confirm that all three bases rotate freely and are securely attached.

### 2. Usage Steps:

- Attach your sling to any of the three mounting positions.
- Adjust the sling length as necessary for comfort and accessibility.
- Regularly check the attachment points before use to ensure they are secure.

## Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- If the sling mount is damaged beyond repair, dispose of it in a manner that is environmentally friendly.
- Follow local guidelines for the disposal of aluminum products.

## Contact Information for Further Support

For additional support or inquiries regarding safety, please refer to the contact details provided with your product packaging. Ensure that you have your product information ready when reaching out for assistance.

Thank you for prioritizing safety and compliance while using the TRIBASE BUFFER TUBE SLING MOUNT. Your adherence to these guidelines ensures a safer experience for yourself and others.
