# HEAVY DUTY PUSH BUTTON 1.25" SWIVEL SINGLE Safety Instruction Guide

## Introduction

Thank you for purchasing the HEAVY DUTY PUSH BUTTON 1.25" SWIVEL SINGLE by GROVTEC US. This product is designed for durability and reliability in tactical applications. To ensure your safety and the optimal performance of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Inspect the product regularly for signs of wear or damage before each use.
- Ensure that the product is suitable for the intended application and load requirements.
- Keep out of reach of children and vulnerable individuals who may not understand the potential hazards.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not exceed the recommended load capacity of the push button swivel.
- Ensure that the connection points are secure and free from debris before use.
- Avoid using the product in extreme conditions that may compromise its integrity, such as excessive heat or corrosive environments.
- Always wear appropriate personal protective equipment (PPE) when using this product.
- If the product shows any signs of malfunction or failure, discontinue use immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that you have all necessary tools and components before beginning installation.
- Identify the mounting location for the push button swivel. Ensure it is sturdy and capable of supporting the intended load.
- Use appropriate fasteners to secure the swivel firmly in place.
- Confirm that the swivel is properly aligned and can rotate freely without obstruction.

### 2. Usage:

- Before using the push button swivel, ensure that it is properly installed and secured.
- To engage the swivel, press the button firmly and guide the connection into place.
- To disengage, press the button again and gently remove the connection.
- Always check that the swivel is locked in place before applying any load.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for waste management.
- Do not dispose of the product in household waste. Instead, check for recycling programs or designated disposal sites for metal products.

## **Contact Information for Further Support**

For any inquiries regarding the HEAVY DUTY PUSH BUTTON 1.25" SWIVEL SINGLE, please contact the manufacturer directly. They can provide assistance, product support, and information regarding safety recalls.

Thank you for choosing GROVTEC US. Your safety is our priority.
