

# AR-15 MAGAZINE POLYMER 5.56MM - STRIKE INDUSTRIES AR-15 MAGAZINE 33-ROUND POLYMER 5.56MM BLACK

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

The Strike Industries AR-15 33-Round Magazine is a high-strength polymer .223 Remington/5.56 NATO AR-15/M4/M16 compatible magazine. Strike Industries has managed to give you three (3) extra rounds compared to the standard AR-15 magazine, which keeps you in the fight or have additional fun at the range without having to reload. With the "AccuRamp" first round feed tray design feature, keep your eyes on the target knowing that your reloads are ready to go. To ensure the last little bit of reliability, there is an included anti-tilt follower so even uneven pressure will not lock up this magazine no matter which hand you use. Anti-slip finger grooves on both sides of the magazine help give positive control when inserting the magazine. The low-profile design makes it easy to insert and remove in a double or even triple stack magazine pouch setup. Made in the U.S.A. with a tool-less disassembly design for quick and easy floor plate removal allowing any needed field cleaning situation, the Strike AR-15 33-Round Magazine is an alternative option that should line the walls of your safe and gun bag. 33-round capacity .223 Remington/5.56 NATO AR-15/M4/M16 compatible magazine AccuRamp first round feed tray design Anti-tilt follower Enhanced Geometry with anti-slip finger grooves Lightweight high-strength polymer Low-profile design Tool-less disassembly of magazine Made in the U.S.A.

# Safety Instruction Guide for the AR15 Magazine Polymer 5.56mm

## Introduction

Thank you for choosing the Strike Industries AR15 33Round Magazine. This guide provides essential safety instructions to ensure the safe use and handling of your magazine. Please read this manual carefully before use to understand how to operate and maintain the magazine safely.

## General Safety Guidelines

- Ensure that the magazine is compatible with your firearm model (AR15/M4/M16).
- Always treat every firearm as if it is loaded.
- Keep the magazine out of reach of children and unauthorized users.
- Inspect the magazine for any signs of damage or wear before use.
- Use only approved ammunition (5.56mm NATO/.223 Remington) with this magazine.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always point the firearm in a safe direction when loading or unloading the magazine.
- Do not exceed the magazine's 33round capacity to ensure safe operation.
- Avoid using the magazine in extreme temperatures or conditions that may affect its integrity.
- Regularly clean and maintain the magazine to ensure reliable performance.
- Use the antitilt follower feature to prevent feeding issues during use.
- Do not attempt to modify or alter the magazine in any way.

## Instructions for Installation and Usage

### 1. Loading the Magazine

- Ensure the magazine is clean and free of debris.
- Hold the magazine with the feed lips facing up.
- Insert the rounds into the magazine one by one, ensuring they are seated properly.
- Do not force rounds into the magazine; if resistance is felt, check for obstructions.

### 2. Inserting the Magazine into the Firearm

- Ensure the firearm is pointed in a safe direction.
- With the magazine in hand, align it with the magazine well of the firearm.
- Firmly push the magazine into the well until it clicks into place.

### 3. Removing the Magazine from the Firearm

- Ensure the firearm is pointed in a safe direction.
- Press the magazine release button on the firearm.
- Pull the magazine out of the magazine well.

### 4. Cleaning and Maintenance

- Disassemble the magazine by following the toolless disassembly instructions.
- Clean the magazine body and follower with a soft cloth and mild cleaner.
- Avoid using harsh chemicals that may damage the polymer material.

- Reassemble the magazine once it is clean and dry.

## **Disposal Instructions**

- Dispose of the magazine in accordance with local regulations regarding plastic waste.
- Do not incinerate the magazine or expose it to extreme heat, as this may release harmful substances.

## **Contact Information for Further Support**

For any inquiries regarding the safety and use of the Strike Industries AR15 33Round Magazine, please consult the manufacturer's website or contact a local authorized dealer.

By following these guidelines, you can ensure the safe and effective use of your AR15 magazine. Always prioritize safety and responsibility when handling firearms and ammunition. Thank you for your attention to these important safety instructions.
