

# AR-15 A2 HANDGUARD - DOUBLE STAR AR-15 A2 HANDGUARD POLYMER BLACK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

## A Set of A2 Handguard for Your Mil-Spec M16 Build

If you're building a retro-style rifle, you know that it's all about that clamshell handguard look. Now, thanks to Double Star, you don't have to search high and low for a set of original M16A2 handguards. This is the perfect reproduction for that military-style look, and these handguards even come with the aluminum heat shields you need to stay cool during those rapid-fire strings. This Double Star AR-15 A2 Handguard features the traditional two-piece construction and measures 12 inches in overall length. Of course, like the originals, the handguards feature all-black polymer construction, and they're durable enough to handle duty use while looking like the classic, retro handguards of yesteryear.

## Attributes

# Safety Instruction Guide for Double Star AR15 A2 Handguard

## Introduction

Thank you for choosing the Double Star AR15 A2 Handguard. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure the product is suitable for your firearm model. The Double Star AR15 A2 Handguard is designed specifically for AR15 platforms.
- Always handle firearms safely and responsibly. Follow all local laws and regulations regarding firearm ownership and use.
- Inspect the handguard for any visible defects or damage before installation. Do not use if damaged.
- Keep the handguard and all firearm accessories out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear when handling firearms, including eye protection and hearing protection.
- Ensure your firearm is unloaded before installing or modifying any parts, including the handguard.
- Do not attempt to modify the handguard or use it in a manner not intended by the manufacturer.
- Avoid exposing the handguard to extreme heat or chemicals, which may degrade the material.
- Be aware that the handguard may become hot during use; allow it to cool before handling.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your workspace is clean and free of distractions.
- Gather necessary tools, including a wrench and any other tools specified in your firearm's manual.

### 2. Installation:

- Unload the firearm completely and ensure it is pointed in a safe direction.
- Remove the existing handguard from your AR15 following the manufacturer's instructions.
- Align the Double Star AR15 A2 Handguard with the mounting points on your firearm.
- Secure the handguard in place according to the installation instructions provided with your firearm.

### 3. Usage:

- Once installed, regularly check the handguard for secure attachment and signs of wear.
- Use the handguard as intended for stabilization and grip during shooting.
- Monitor the handguard for any unusual wear or damage after each use.

## Disposal Instructions

- Dispose of the handguard in accordance with local regulations regarding plastic and polymer materials.
- Do not burn the handguard, as it may release harmful fumes.

- If you are unsure about disposal methods, contact your local waste management authority for guidance.

## **Contact Information for Further Support**

For any questions or concerns regarding the Double Star AR15 A2 Handguard, please consult the manufacturer's website or contact their customer support team. It is important to have access to knowledgeable representatives who can provide assistance related to safety and product use.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the Double Star AR15 A2 Handguard!
