

6MM BRA BRASS - ALPHA MUNITIONS 6MM BRA SRP BRASS 100/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

ALPHA MUNITIONS 6MM BRA BRASS WITH OCD OPTIMIZED CASE HEAD TECHNOLOGY

When Alpha Munitions took on the 6mm BR cartridge case, the company decided to make a few changes that ultimately increases the efficiency and longevity of your loaded rounds. The resulting 6mm BRA is an Ackley Improved cartridge case that has a 40-degree shoulder instead of the 30-degree shoulder found on the original round. This increases case capacity while retaining the longer neck, so you can load a 105-grain bullet up to 2,900 fps with a fairly low powder charge. Each 6mm BRA case produced by Alpha Munitions also incorporates the company's OCD with optimized case head technology, which is designed to lengthen primer pocket life, as well as the life of the case overall, even at higher than normal pressures and velocities.

Attributes

- Name: [ALPHA MUNITIONS 6MM BRA SRP BRASS 100/BOX](#)
- Manufacturer: [ALPHA MUNITIONS](#)
- Product no.: 100041785
- Mfr. No.: AM6BRA
- Cartridge: 6mm BRA
- Rounds: 100
- Quantity: 100
- Delivery weight: 1.256kg
- Shipping height: 89mm
- Shipping width: 159mm
- Shipping length: 191mm
- UPC: 616612670342

Item details

Made in USA

US export classification: 0A505.x

Safety Instruction Guide for 6MM BRA BRASS ALPHA MUNITIONS

Introduction

Thank you for choosing the 6MM BRA BRASS ALPHA MUNITIONS cartridge case. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before use to understand the potential hazards and the necessary precautions to take.

General Safety Guidelines

- Ensure safe handling and storage of the cartridge cases to prevent accidents.
- Follow all local laws and regulations regarding the use of ammunition and firearm components.
- Always treat all ammunition as if it is live and capable of firing.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any product recalls or safety alerts through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Use only with firearms that are compatible with the 6MM BRA cartridge.
- Inspect each cartridge case for defects or damage before use.
- Avoid using excessive force when loading or unloading ammunition.
- Do not exceed recommended powder charges as specified in loading manuals.
- Wear appropriate safety gear, such as eye protection, when handling or firing ammunition.
- Store ammunition in a cool, dry place away from direct sunlight and moisture.

Instructions for Installation and Usage

1. Loading the Cartridge Case:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Inspect the cartridge case for any signs of damage.
- Fill the cartridge case with the appropriate powder charge, following the manufacturer's specifications.
- Seat the bullet firmly into the case mouth, ensuring it is aligned properly.
- Crimp the bullet as necessary to secure it in place.

2. Firing the Ammunition:

- Load the completed cartridge into the firearm's chamber.
- Ensure the firearm is in good working condition and free of obstructions.
- Follow all safety protocols for handling and firing firearms.
- After firing, inspect the spent cartridge case for any signs of damage or abnormal wear.

3. Storage:

- Store the cartridge cases in their original packaging or a secure container.
- Keep the storage area locked and secured to prevent unauthorized access.

Disposal Instructions

- Dispose of any damaged or unusable cartridge cases in accordance with local regulations.
- Do not throw cartridge cases in regular trash; contact local authorities for proper disposal methods.

- Ensure that spent cartridges are disposed of safely to prevent accidents.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to your local authority or the relevant EU contact point for further assistance.

By following these guidelines, you can ensure a safer experience with the 6MM BRA BRASS ALPHA MUNITIONS cartridge case. Remember, safety is a shared responsibility. Thank you for your attention to these important safety instructions.
