

AR-15 BREACH LARGE LEVERS CHARGING HANDLE AMBIDEXTROUS - AERO PRECISION AR-15 BREACH CHARGING HANDLE AMBIDEXTROUS LARGE LEVERS

[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Charging Handles](#)

One of the most critical components on your AR-15 is the charging handle, since it gives you complete control over your gun's firing status. Because of that, you need a charging handle that's easy to use and durable, and Aero Precision has the perfect option in the form of its Breach Ambidextrous Charging Handle. The larger of the two levers gives you more surface area for instant, easy activation of the lever, whether through rapid one-handed racking or other motions. The Aero Precision Breach Charging Handle is machined from 7075 aluminum and is treated with a hardcoat-anodized finish. Like all of Aero's products, this handle is made right here in the USA.

Safety Instruction Guide for AR15 Breach Large Levers Charging Handle Ambidextrous

Introduction

Thank you for choosing the AR15 Breach Large Levers Charging Handle Ambidextrous by Aero Precision. This product is designed to enhance your control over your firearm while ensuring safety and reliability. Please read this safety instruction guide carefully to ensure proper use and maintenance of the charging handle.

General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Ensure that you are in a safe environment when using your firearm.
- Be aware of your surroundings and ensure that no one is in your line of fire.
- Follow all local laws and regulations regarding firearm usage.
- Regularly inspect your charging handle and firearm for any signs of wear or damage.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Before using the charging handle, ensure that your firearm is pointed in a safe direction.
- Always use the charging handle with both hands for better control.
- Do not attempt to modify or alter the charging handle in any way.
- Keep the charging handle clean and free from obstructions to ensure smooth operation.
- Do not use the charging handle if it shows signs of damage or wear.
- Avoid using excessive force when operating the charging handle.

Instructions for Installation and Usage

Installation

1. Ensure that your firearm is unloaded and pointed in a safe direction.
2. Remove the old charging handle by pulling it out of the receiver.
3. Align the new AR15 Breach Charging Handle with the receiver.
4. Insert the charging handle into the receiver until it clicks into place.
5. Ensure that the charging handle moves smoothly and is securely installed.

Usage

- To charge your firearm, grasp the larger lever of the charging handle firmly.
- Pull the lever back towards you while ensuring that the firearm is pointed in a safe direction.
- Release the lever to allow it to return to its original position.
- Always verify that the firearm is loaded and ready for use only after performing this action.

Disposal Instructions

- Dispose of the charging handle in accordance with local regulations.
- Do not throw the charging handle in regular household waste.
- If the charging handle is damaged, contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further support, please reach out to the designated contact point in your region. Ensure that you have the product details on hand for efficient assistance.

By following these guidelines, you can ensure the safe and effective use of your AR15 Breach Large Levers Charging Handle Ambidextrous. Thank you for prioritizing safety.
