

# SUPER CAL (CANT AND LOC) BIPODS - ACCU-SHOT SUPER CAL QD PICATINNY BIPOD BLACK

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

ATLAS BIPOD SUPER CAL (CANT AND LOC) BIPODS The Super CAL (Cant And Loc) has all the same features of the popular CAL model, only supersized! It has a wider footprint and provides a lower center of gravity than the smaller CAL model. Includes patented 45° leg positions, non-rotating legs, quick change feet and "Hold What You Move Technology™." It is comprised of 6061-T6 aluminum that is Mil-Spec Type III hard coat anodized and has heat treated stainless steel components. ACCU-SHOT chooses to support a legend in the shooting sports by using the original KMW "Pod-Loc™" to lock the cant adjustment. SPECS Height Range: 5.6" - 10.8" Preloaded Cant: 45 degrees 5 leg positions: 0, 45, 90, 135 & 180 degrees Non-Rotating Legs: outer leg does not rotate around inner leg Weight: 21.54 ounces Footprint: 14.75-19.37" Wide Available with various mounting options to allow use on a multitude of shooting platforms.

# Safety Instruction Guide for SUPER CAL (CANT AND LOC) BIPODS

## Introduction

Thank you for choosing the SUPER CAL (Cant And Loc) Bipods by ACCUSHOT. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your bipod. Please read this manual carefully before using the product.

## General Safety Guidelines

- Ensure that the bipod is used in accordance with the manufacturer's specifications.
- Always inspect the bipod for damage or wear before each use.
- Use the bipod only with compatible shooting platforms.
- Keep the bipod out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to local authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Potential Hazards:**

- Risk of injury from improper use or malfunction.
- Risk of falling or tipping if not set up correctly.

- **Instructions for Avoiding Hazards:**

- Always ensure the bipod is fully extended and locked before use.
- Do not exceed the weight limit specified by the manufacturer.
- Avoid using the bipod in unstable or uneven terrain.
- Do not leave the bipod unattended while in use.

- **Age and Audience Specific Warnings:**

- This product is intended for adult users only. Keep away from children.
- Ensure that all users are trained in safe shooting practices.

## Instructions for Installation and Usage

- **Installation:**

1. Select a stable shooting platform compatible with the bipod.
2. Attach the bipod to the platform using the provided mounting options.
3. Ensure that the bipod is securely fastened before proceeding.

- **Usage:**

1. Adjust the height of the bipod by releasing the locking mechanism and extending the legs to the desired height.
2. Lock the legs in place to secure the height adjustment.
3. Set the cant angle by using the KMW "PodLoc™" adjustment. Ensure it is locked before use.
4. Position the bipod on a stable surface and ensure all legs are in contact with the ground.
5. Use the bipod to stabilize your shooting platform as needed.

## **Disposal Instructions**

- Dispose of the bipod in accordance with local waste disposal regulations.
- If the bipod is damaged beyond repair, consider recycling the aluminum and steel components where facilities are available.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please reach out to the designated contact point provided in the product packaging or on the manufacturer's website.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the SUPER CAL (Cant And Loc) Bipods.
