## Accessorize Your Handguard with Ease

COMBAT M-LOK FREE FLOAT HANDGUARDS FOR AR-15 One of the latest handguard designs purpose-built for the popular AR-15 platform is the Midwest Industries Combat M-LOK Rail Handguard. This unique, free-float design is made to offer a range of accessory-attachment options, allowing users to customize their rifle for their unique needs. Each Midwest Industries Combat M-LOK Rail Handguard is machined entirely from aluminum and features seven rows of M-LOK-compatible attachment points. The top of the handguard provides a continuous Picatinny rail for optics and other accessories, and the handguard even offers two separate quick-detach sling sockets that feature an anti-rotation design. Features Color: black May not fit all billet upper receiver designs Not for use with gas-piston AR rifles Fully free-floated design Completely made in the USA, the Midwest Industries Combat M-LOK Rail Handguard includes a heat-treated barrel nut and an installation wrench.

# Safety Instruction Guide for COMBAT MLOK Free Float Handguards for AR15

## Introduction

Thank you for choosing the COMBAT MLOK Free Float Handguards for your AR15. This guide provides essential safety information and instructions to ensure the safe and effective use of your handguard. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the handguard is compatible with your specific AR15 model.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Inspect the handguard and all components for damage prior to installation.
- Store the handguard and all related accessories in a secure location, away from children and unauthorized users.
- Report any unsafe conditions or incidents related to the product to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not exceed the recommended weight limit for accessories mounted on the handguard.
- Avoid using the handguard with gaspiston AR rifles, as it is not designed for this application.
- Ensure that the installation is performed correctly to avoid any potential hazards during use.
- Be aware of the handguard's heat generation during use, especially after firing multiple rounds.
- Always use provided quickdetach sling sockets as intended to prevent accidents.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including the provided installation wrench.
- Ensure that the firearm is unloaded and pointed in a safe direction.

### 2. Installation Steps

- Remove the existing handguard from your AR15 following the manufacturer's instructions.
- Install the heat-treated barrel nut provided with the handguard onto the upper receiver.
- Align the handguard with the barrel nut and secure it using the installation wrench.
- Ensure that the handguard is fully seated and tighten securely, following the specified torque settings.
- Attach any accessories using the MLOK attachment points, ensuring they are compatible and securely fastened.

### 3. Usage

- Once installed, verify the stability of the handguard before use.
- Attach your optics and accessories to the continuous Picatinny rail as needed.
- Regularly inspect the handguard and accessories for wear and tear.

## Disposal Instructions

- Dispose of the handguard and any components in accordance with local regulations for waste disposal.
- Do not dispose of the handguard in household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any inquiries related to safety or product performance, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your COMBAT MLOK Free Float Handguards for AR15. Always prioritize safety and responsible handling of your firearm.
