NEOS 39X40MM SFP RIFLE SCOPE SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the NEOS 39X40MM SFP Rifle Scope. This guide provides essential safety information to ensure the safe use and handling of your rifle scope. Please read this manual carefully before use to understand the necessary precautions and guidelines.

General Safety Guidelines

To ensure your safety and the safety of others, please observe the following guidelines:

- Always treat your rifle scope as if it is loaded.
- Keep the rifle scope pointed in a safe direction at all times.
- Be aware of your surroundings and ensure that there is a safe backstop.
- Use the rifle scope only for its intended purpose.
- Regularly inspect the scope for any signs of damage or wear.
- Store the rifle scope in a secure location, out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding the use of firearms and optics.

Specific Safety Precautions for Use

When using the NEOS 39X40MM SFP Rifle Scope, please adhere to the following safety precautions:

- Ensure the rifle scope is securely mounted to the firearm before use.
- Do not attempt to disassemble or modify the rifle scope.
- Avoid exposing the rifle scope to extreme temperatures or moisture.
- Do not look directly at the sun through the scope, as this may cause permanent eye damage.
- Always use appropriate eye protection when shooting.
- Ensure that the reticle is properly calibrated for your specific shooting needs.

Instructions for Installation and Usage

Follow these steps for the proper installation and usage of your NEOS 39X40MM SFP Rifle Scope:

1. Installation

- Select a suitable mounting base compatible with your firearm.
- Align the scope with the mounting base and secure it using the provided screws.
- Ensure that the scope is level and properly positioned for your shooting stance.
- Tighten the screws to the manufacturer's specifications to prevent movement during use.

2. Usage

- Adjust the magnification by rotating the magnification ring to the desired power setting.
- Use the windage and elevation turrets to zero the scope according to your shooting distance.
- Check the eye relief to ensure proper positioning of your eye behind the scope.
- Before taking a shot, verify that the target is clear and safe to engage.

Disposal Instructions

When disposing of the NEOS 39X40MM SFP Rifle Scope, please follow these guidelines:

- Do not dispose of the rifle scope in regular household waste.
- Check with local regulations regarding the disposal of optical equipment.
- If the scope is damaged beyond repair, contact a local recycling facility for proper disposal methods.

Contact Information for Further Support

For any inquiries or assistance regarding the NEOS 39X40MM SFP Rifle Scope, please reach out to your authorized dealer or manufacturer. Ensure that you have your product information available for quicker assistance.

Conclusion

Your safety and the safety of others is paramount when using the NEOS 39X40MM SFP Rifle Scope. By following these guidelines and instructions, you can maximize your experience while ensuring a safe shooting environment. Thank you for your attention to these important safety measures. Enjoy your shooting experience!
