# NEOS 412X40MM SFP RIFLE SCOPE Safety Instructions

## Introduction

Thank you for choosing the NEOS 412X40MM SFP Rifle Scope. This product is designed to enhance your hunting experience while ensuring safety and compliance with the EU General Product Safety Regulation (GPSR). Please read this safety instruction guide thoroughly before using the product.

## General Safety Guidelines

- Ensure safe use of the rifle scope by following all provided instructions.
- Be aware of potential hazards associated with the use of optical devices.
- Regularly check for updates or recalls regarding the product through the EU's Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.
- This product is not intended for use by children or vulnerable groups without adult supervision.

## Specific Safety Precautions for Use

- Always handle the rifle scope with care to avoid damage.
- Do not use the scope if it is damaged or malfunctioning.
- Avoid looking directly at the sun through the scope, as it may cause serious eye damage.
- Ensure that the scope is securely mounted and adjusted before use.
- Use the scope only for its intended purpose, which is to enhance accuracy while aiming.

## Instructions for Installation and Usage

### 1. Installation

- Select a suitable rifle that is compatible with the NEOS 412X40MM SFP Rifle Scope.
- Ensure the rifle is unloaded before installation.
- Mount the scope to the rifle using the provided mounting rings and base.
- Tighten the mounting screws securely, ensuring the scope is level.

### 2. Usage

- Adjust the magnification by rotating the magnification ring to the desired setting between 4x and 12x.
- Use the eye relief of 3.15" to 3.11" to position your eye at a safe distance from the eyepiece.
- Focus the reticle using the side focus adjustment to ensure clarity.
- Make adjustments using the click value of 1/4 MOA for precision aiming.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling components where applicable.

## Contact Information for Further Support

For any inquiries related to safety or product issues, please reach out to the designated EU contact point provided by the manufacturer. Ensure you have the model number (Neos) ready for reference.

By adhering to these guidelines, you can ensure a safe and enjoyable experience with your NEOS 412X40MM SFP Rifle Scope. Thank you for your attention to safety.
