Safety Instruction Guide for Athlon Precision Picatinny Aluminum Scope Rings 1" (0.9") Medium Rings

Introduction

Thank you for choosing the Athlon Precision Picatinny Aluminum Scope Rings. These rings are designed to enhance the performance of your precision rifle. This safety instruction guide provides essential information on using and caring for your scope rings to ensure safe and effective operation.

General Safety Guidelines

- Always ensure the scope rings are compatible with your specific scope and rifle model.
- Inspect the scope rings for any damage before use. Do not use damaged rings.
- Ensure that the mounting surface on your rifle is clean and free from debris.
- Follow all local laws and regulations regarding the use of firearms and accessories.
- Keep the product out of reach of children and unauthorized users.

Specific Safety Precautions for Use

- Use only the recommended tools for installation to avoid damaging the scope rings or your firearm.
- Do not exceed the manufacturer's specifications for mounting torque to prevent damage.
- Regularly check the tightness of the scope rings after installation and before each use.
- Avoid using the scope rings in extreme temperatures or conditions that may affect their integrity.
- If you notice any unusual wear or performance issues, discontinue use immediately and seek assistance.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure your rifle is unloaded and pointed in a safe direction.

2. Installation Steps

- Remove any existing scope rings from your rifle.
- Clean the mounting surface on the rifle to ensure a secure fit.
- Place the Athlon Precision Scope Rings on the Picatinny rail, aligning them with the desired mounting position.
- Insert the screws into the rings and handtighten them to hold the rings in place.
- Use a torque wrench to tighten the screws to the manufacturer's recommended torque specifications. Do not overtighten.

3. Usage

- Once installed, mount your scope securely in the rings.
- Adjust the scope to your preferred settings before use.
- Always check the alignment and stability of the scope before firing.

4. PostUsage Care

- After each use, inspect the scope rings for any signs of wear or damage.

- Clean the scope rings with a soft cloth to remove any dirt or debris.

Disposal Instructions

- When disposing of the product, follow local regulations for waste disposal.
- If the product is damaged or no longer usable, recycle components where possible, or dispose of them in accordance with local waste management guidelines.
