Safety Instruction Guide for Athlon Precision Picatinny Aluminum Scope Rings 30MM (0.868") Low Rings

Introduction

Thank you for choosing the Athlon Precision Picatinny Aluminum Scope Rings. These rings are designed to enhance your shooting experience by providing a secure and stable mount for your scope. This safety instruction guide will provide essential information to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the safety instructions before using the product.
- Ensure that the product is used only for its intended purpose.
- Regularly inspect the scope rings for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the scope rings are compatible with your scope and firearm.
- Do not exceed the manufacturer's recommended weight limit for mounted equipment.
- Avoid using the scope rings in extreme weather conditions that may compromise their integrity.
- Always check that the scope is securely mounted before each use to prevent accidents.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools including a torque wrench and appropriate screwdriver.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Installation Steps

- Clean the mounting area on the firearm to remove any debris or oil.
- Position the scope rings on the Picatinny rail according to your desired placement.
- Align the scope within the rings, ensuring it is level and at the correct eye relief.
- Tighten the screws on the scope rings gradually, alternating between screws to ensure even pressure.
- Use a torque wrench to tighten screws to the manufacturer's recommended torque settings.

3. Usage Tips

- After installation, perform a visual inspection to ensure everything is secure.
- Test the setup at a shooting range to confirm stability and alignment.
- Make any necessary adjustments to the scope for optimal performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.

- Consider recycling options for aluminum components if available.

Contact Information for Further Support

For any questions or concerns regarding the Athlon Precision Picatinny Aluminum Scope Rings, please refer to the manufacturer's website or contact the customer service department.

By following the above guidelines and instructions, you can ensure safe and effective use of your Athlon Precision Picatinny Aluminum Scope Rings. Thank you for prioritizing safety!
