# Safety Instruction Guide for Athlon Precision Picatinny Aluminum Scope Rings 30MM

## Introduction

Thank you for choosing the Athlon Precision Picatinny Aluminum Scope Rings. These medium rings are designed for precision rifles, including magnum calibers, and are made in the USA from highstrength aluminum alloy. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your scope rings.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the scope rings for any signs of damage or wear.
- Always follow the manufacturer's instructions when installing and using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe product experiences or accidents to the appropriate authorities.
- Stay informed about any product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use only compatible scopes and mounts with the Athlon Precision Picatinny Rings.
- Ensure that the height of the rings (0.993 inches) is suitable for your specific rifle setup.
- Do not exceed the recommended weight limit for the scope and accessories mounted on the rings.
- Avoid using the scope rings in extreme temperatures or environments that may compromise their integrity.
- Handle the scope rings with care during installation to prevent injury.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a torque wrench and appropriate screws.
- Ensure your rifle is unloaded and in a safe position before beginning installation.

### 2. Installation Steps:

- Position the Picatinny rings on the rifle's rail in the desired location.
- Align the scope within the rings, ensuring it is level and properly positioned.
- Secure the rings by tightening the screws with a torque wrench to the manufacturer's recommended specifications.
- Doublecheck the alignment and tightness of the scope and rings before use.

### 3. Usage:

- Once installed, regularly check the tightness of the screws and the alignment of the scope during use.
- If you notice any movement or misalignment, stop using the rifle immediately and recheck the installation.

## **Disposal Instructions**

- Dispose of the product in accordance with local waste management regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials.
- Consider recycling options for aluminum components when available.

## **Contact Information for Further Support**

For any questions or concerns regarding the Athlon Precision Picatinny Aluminum Scope Rings, please refer to the manufacturer's website or customer support resources available in your region.

Thank you for following these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your shooting experience with the Athlon Precision Picatinny Aluminum Scope Rings!
