# Safety Instruction Guide for Precision Picatinny Aluminum Scope Rings 30MM (1.443") MSR Rings

## Introduction

Thank you for choosing the Precision Picatinny Aluminum Scope Rings 30MM (1.443") MSR Rings. This guide provides essential safety instructions to ensure your safe use of the product. Please read this manual carefully before installation and usage.

## General Safety Guidelines

- Ensure the product is suitable for your specific rifle and scope combination.
- Always inspect the scope rings for any damage prior to use.
- Use the product only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for updates on product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may lead to scope misalignment or detachment.
- Excessive force during tightening can damage the scope or rings.

### • Avoiding Hazards:

- Always follow the installation instructions carefully.
- Do not exceed the recommended torque settings when securing the scope.
- Regularly check the tightness of the scope rings after installation.

### • AgeSpecific Warnings:

- This product is not intended for use by children. Adult supervision is required when handling the product.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a torque wrench.
- Ensure your rifle is unloaded and pointed in a safe direction.

### 2. Installation:

- Place the scope rings onto the Picatinny rail of your rifle.
- Align the scope in the rings, ensuring it is level.
- Adjust the position of the scope as necessary for your shooting style.
- Tighten the ring screws gradually and evenly to avoid misalignment.
- Use a torque wrench to tighten the screws to the manufacturer's recommended torque settings.

### 3. Usage:

- After installation, check the alignment of the scope through the rings.
- Make adjustments as necessary before heading to the range or field.
- Regularly inspect the scope rings for any signs of wear or loosening during use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product with general household waste.
- Consider recycling options for aluminum materials where available.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the EUbased contact provided by the manufacturer. Always ensure you have the product information at hand when seeking support.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the Precision Picatinny Aluminum Scope Rings!
