

TS-12X 3-12X52MM RIFLE SCOPE - 3-12X52MM FFP MHR RETICLE BLACK

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The USO TS-12X is a compact, lightweight and versatile first focal plane riflescope that offers reliable performance in extreme hunting conditions. The TS-12X features a 52mm Objective, 30mm Tube, Rapid Focus Diopter, and Tactical Locking Elevation and Windage Turrets. With the ability to quickly adjust from 3X to 12X, combined with a parallax adjustment from 10yds to Infinity, there isn't a shot you can't make with the TS-12X. Reticle Options: Choose from our traditional Second Focal Plane Triplex reticle and our First Focal Plane MIL Hunting Reticle (MHR).

TS12X 312X52MM Rifle Scope Safety Instructions

Introduction

Thank you for choosing the TS12X 312X52MM Rifle Scope. This guide provides important safety information and instructions to ensure the safe and effective use of your product. Please read this manual carefully before using the rifle scope.

General Safety Guidelines

- **Product Safety:** Always ensure the safe use of the rifle scope. This product is designed for hunting and shooting sports. Improper use can lead to serious injuries.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements. Verify the authenticity of the product.
- **Special Consumer Focus:** Keep this product out of reach of children. It is intended for adult use only.
- **EU Contact Point:** For any safety inquiries, please refer to the appropriate EU contact point.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety.

Specific Safety Precautions for Use

- **Handling:** Always handle the rifle scope with care. Avoid dropping or subjecting it to impact.
- **Installation:** Ensure proper installation as per the instructions provided. Incorrect installation can affect performance and safety.
- **Use in Safe Environments:** Only use the scope in designated shooting areas. Do not use it in crowded or unsafe environments.
- **Proper Eye Protection:** Always wear appropriate eye protection while using the rifle scope.
- **Never Point at Unintended Targets:** Always be aware of your surroundings and never point the scope at anything you do not intend to shoot.
- **Check for Damage:** Before use, inspect the scope for any signs of damage. Do not use if damaged.

Instructions for Installation and Usage

1. Installation:

- Mount the scope securely on your rifle using the appropriate rings and base.
- Ensure the scope is level and properly aligned with the barrel.
- Tighten all screws and bolts according to the manufacturer's specifications to ensure stability.

2. Adjusting the Scope:

- To adjust magnification, rotate the magnification ring to the desired setting between 3X and 12X.
- Adjust the parallax setting according to the distance of the target, from 10 yards to infinity.

3. Using the Reticle:

- Familiarize yourself with the First Focal Plane MIL Hunting Reticle (MHR) or the Second Focal Plane Triplex reticle.
- Use the reticle for accurate targeting at various distances.

4. Maintenance:

- Regularly clean the lens with a soft, lintfree cloth.

- Store the scope in a dry, cool place when not in use.

Disposal Instructions

- **Environmental Considerations:** Dispose of the rifle scope in accordance with local regulations. Do not dispose of it with general household waste.
- **Recycling:** If possible, recycle materials according to local recycling programs.

Contact Information for Further Support

For any inquiries or assistance regarding the TS12X Rifle Scope, please refer to the manufacturer's contact information or website. Always keep this manual for future reference and safety information.

By following these safety instructions, you will ensure a safer experience while using your TS12X 312X52MM Rifle Scope. Always prioritize safety and responsible usage.
