# SIG P320 Slide Completion Kit Safety Instructions

## Introduction

Thank you for choosing the SIG P320 Slide Completion Kit by Grey Ghost Precision. This kit is designed to help you complete your slide assembly safely and effectively. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always follow the manufacturer's instructions when using this product.
- Ensure that the product is suitable for your specific firearm model.
- Inspect all parts for damage or wear before installation.
- Keep all components out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may lead to firearm malfunction.
- Use of incompatible parts can result in serious injury or damage.
- Always handle firearms with care and ensure they are unloaded before maintenance.

### • Avoiding Hazards:

- Verify compatibility with your specific firearm model before use.
- Follow all installation instructions carefully.
- Use only parts from the SIG P320 Slide Completion Kit or compatible components.

### • Audience Specific Warnings:

- This product is not intended for use by individuals under the age of 18.
- Ensure that only qualified individuals perform the installation and maintenance of the firearm.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your workspace is clean and welllit.
- Gather all necessary tools and components from the kit.
- Make sure your firearm is unloaded and pointed in a safe direction.

### 2. Installation Steps:

- Remove the existing slide assembly from your firearm.
- Carefully install the P320 striker assembly into the slide.
- Insert the extractor and secure it with the extractor pin.
- Attach the extractor spring and ensure it is properly seated.
- Place the back plate onto the slide, ensuring the "SIG" and "P320" markings are visible.
- Doublecheck all parts for proper installation before reassembling the firearm.

### 3. Usage:

- After installation, conduct a function check to ensure the slide operates correctly.
- Regularly inspect the slide assembly for any signs of wear or damage.
- Always practice safe firearm handling and storage.

## **Disposal Instructions**

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of firearm parts in regular household waste.
- Contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the SIG P320 Slide Completion Kit, please refer to the manufacturer's website or contact their customer service for assistance.
