CZ Scorpion Stock Back Plate Safety Instruction Guide

Introduction

Thank you for choosing the CZ Scorpion Stock Back Plate from Midwest Industries. This product is designed to enhance the functionality of your CZ Scorpion by allowing the attachment of a folding or fixed stock or arm brace. To ensure safe and effective use of this product, please read and follow the safety instructions and guidelines outlined in this manual.

General Safety Guidelines

- Always handle the product with care to avoid injury.
- Ensure that you are using the product in accordance with its intended purpose.
- Regularly inspect the product for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents involving the product to the appropriate authorities.
- Stay informed about product recalls or safety alerts through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the CZ Scorpion is unloaded before installing or adjusting the stock back plate.
- Always use the product in a wellventilated area to avoid inhaling any fumes from installation materials.
- Do not exceed the weight limit recommended for the stock or arm brace attached to the back plate.
- Avoid using the product in extreme weather conditions that may affect its performance.
- Always follow the manufacturer's instructions for the installation and use of any accessories attached to the back plate.

Instructions for Installation and Usage

Installation Steps

1. Preparation:

- Gather all necessary tools for installation.
- Ensure you have a clean, flat workspace.

2. Remove Existing Components:

- If applicable, remove any existing stock or arm brace from the CZ Scorpion.

3. Attach the Stock Back Plate:

- Align the back plate with the mounting points on the CZ Scorpion.
- Securely attach the back plate using the provided screws and tools.
- Ensure that the ANTI ROTATION QD sling swivel socket is properly oriented.

4. Check Stability:

- Once installed, check that the back plate is securely attached and does not move.
- Test the attachment points for any play or instability.

5. Attach Stock or Arm Brace:

- Follow the specific instructions for the stock or arm brace you are attaching.
- Ensure that all connections are secure before use.

Usage Guidelines

- Always check that the stock or arm brace is securely attached before each use.
- Use the product in a manner that does not compromise your safety or the safety of others.
- Familiarize yourself with the operation of the CZ Scorpion and any attached accessories before use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged or no longer in use, do not throw it in regular waste.
- Check for recycling options in your area to ensure environmentally responsible disposal.

Contact Information for Further Support

For any inquiries related to safety, installation, or product performance, please contact the manufacturer or consult the product's official website for additional resources.

By following these safety instructions, you can ensure a safe and enjoyable experience with your CZ Scorpion Stock Back Plate. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
