Safety Instruction Guide for AR15 Trigger Guards

Introduction

Thank you for choosing the AR15 Trigger Guards from Midwest Industries. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your product. Please read this document carefully before using the Trigger Guards.

General Safety Guidelines

- Always ensure that your AR15 firearm is unloaded before installing or handling the Trigger Guards.
- Keep the Trigger Guards out of reach of children and unauthorized users.
- Inspect the Trigger Guards regularly for any signs of damage or wear. Do not use damaged Trigger Guards.
- Use the Trigger Guards only as intended, following all manufacturer instructions.
- Store the Trigger Guards in a cool, dry place when not in use.

Specific Safety Precautions for Use

- Ensure you are wearing appropriate personal protective equipment (PPE), such as gloves, when handling the Trigger Guards.
- Avoid using the Trigger Guards in wet or damp conditions to prevent slippage or loss of grip.
- Be cautious when installing the Trigger Guards; improper installation may lead to accidental discharge of the firearm.
- Do not modify or alter the Trigger Guards in any way, as this may compromise safety and functionality.
- Always follow local laws and regulations regarding the use and modification of firearm accessories.

Instructions for Installation and Usage

Installation

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the existing trigger guard if applicable, following the manufacturer's instructions.
3. Align the AR15 Trigger Guard with the designated mounting points on the firearm.
4. Secure the Trigger Guard in place using the provided screws or fasteners, ensuring they are tightened properly.
5. Doublecheck that the Trigger Guard is firmly attached and does not move.

Usage

- The AR15 Trigger Guards are designed to provide a larger area for use with gloves. Ensure proper grip when handling the firearm.
- Regularly check the Trigger Guards for any signs of looseness or damage during use.
- If you notice any issues while using the Trigger Guards, cease use immediately and inspect the product.

Disposal Instructions

- Dispose of the Trigger Guards in accordance with local regulations regarding the disposal of plastic products.
- Do not incinerate or recycle the Trigger Guards unless specified by local guidelines.

Contact Information for Further Support

For further assistance or inquiries regarding safety and usage, please refer to the manufacturer's contact

information provided with your product packaging or visit the manufacturer's website.

Conclusion

By following these safety instructions and guidelines, you can ensure the safe use and longevity of your AR15 Trigger Guards. Always prioritize safety and compliance with local laws and regulations when handling firearms and accessories. Thank you for your attention to these important safety measures.
