# Safety Instruction Guide for AR15 Gas Tubes (Black Nitride)

## Introduction

Thank you for choosing the AR15 Gas Tube from Brownells. This guide provides important safety information and instructions for the proper use and installation of your gas tube. Please read this guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used in accordance with all applicable laws and regulations.
- Always handle firearms and related accessories responsibly and in a safe manner.
- Inspect the gas tube for any signs of damage or wear before installation.
- Store the gas tube in a secure location, away from children and unauthorized users.
- If you experience any issues with the gas tube, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Do not attempt to modify or alter the gas tube in any way.
- Ensure that the firearm is unloaded before installing or replacing the gas tube.
- Follow the manufacturer's specifications for installation to avoid potential hazards.
- Use only compatible components with the AR15 gas tube to prevent malfunctions.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and components for installation.
- Ensure that your workspace is clean and organized.

### 2. Installation Steps:

- Ensure the firearm is completely unloaded.
- Remove the existing gas tube if applicable.
- Align the new AR15 gas tube with the gas block.
- Secure the gas tube in place using the appropriate roll pin (not included).
- Doublecheck that the gas tube is properly installed and secured.

### 3. Usage:

- After installation, perform a function check of the firearm to ensure proper operation.
- Regularly inspect the gas tube for signs of wear or damage during routine maintenance.

## Disposal Instructions

- Dispose of the gas tube in accordance with local regulations for metal products.
- If the gas tube is damaged or no longer usable, do not dispose of it in regular waste. Instead, check with local recycling facilities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15 Gas Tube, please contact your local dealer or refer to the manufacturer's website for more information.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure the safe and effective use of your AR15 Gas Tube. Thank you for choosing Brownells, and stay safe!
