Fits In Your Pocket - A Tool Set For In-The-Field Gun Repairs & Tweaks

The ultra-compact MultiTasker Twist fits in your pocket like a pen and packs a bunch of critical maintenance/adjustment tools for your "modern sporting rifle" and other guns. It's built around a versatile 1/4" hex driver socket for the 10 bits that come with the Twist: 3/16" & 3/32" slotted, No. 1 Phillips, T10 & 15 Torx, and 3/16", 9/64", 1/8", 7/64" & 3/32" hex. (Bits are stored in the included rubber carrier strip.) You also get a 3/32" pin punch, a radial carbon scraper, heavy duty brass dental pick, an Aimpoint red dot sight turret adjuster, M16A2 style FSP adjustment tool, and a pocket clip that doubles as a light-duty slotted screwdriver. Built to last, too - housing of machined 6061 T6 aluminum, with a durable Type III military-style hardcoat anodized finish.

MULTITASKER TWIST Safety Instruction Guide

Introduction

Thank you for purchasing the MULTITASKER TWIST. This ultracompact multitool is designed for maintenance and adjustments of your modern sporting rifle and other guns. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always use the MULTITASKER TWIST as intended and follow the instructions provided.
- Keep the tool out of reach of children and vulnerable individuals to prevent accidental injury.
- Regularly inspect the tool for any signs of damage or wear. Do not use if damaged.
- Ensure that all tools and accessories are securely stored when not in use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Be cautious when using sharp tools such as the pin punch and dental pick.
- Avoid applying excessive force when using the hex driver socket to prevent stripping screws or damaging bits.
- Use the tool in a welllit area to ensure visibility of the work being performed.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when using the tool.
- Do not use the MULTITASKER TWIST for purposes other than those intended.

Instructions for Installation and Usage

1. Using the Hex Driver Socket:

- Select the appropriate bit for your task from the included set.
- Insert the bit into the 1/4" hex driver socket until it clicks into place.
- Turn the handle to drive screws or adjust components as needed.

2. Using the Pin Punch:

- Align the punch with the pin you wish to remove.
- Gently tap the end of the punch with a hammer to drive the pin out.

3. Using the Radial Carbon Scraper:

- Hold the scraper at a comfortable angle and gently scrape carbon buildup from surfaces.
- Clean the scraper after use to maintain its effectiveness.

4. Using the Dental Pick:

- Use the brass dental pick to clean small parts and hardto reach areas.
- Avoid using excessive force to prevent damaging components.

5. Using the Aimpoint Turret Adjuster:

- Align the adjuster with the turret on your sight.
- Turn the adjuster to make necessary adjustments.

6. Using the FSP Adjustment Tool:

- Insert the tool into the FSP adjustment slot.
- Turn the tool as needed to make adjustments.

7. Storing the Tool:

- After use, clean the MULTITASKER TWIST and store it in a dry place.
- Ensure that all bits are returned to the rubber carrier strip for easy access.

Disposal Instructions

- Dispose of the MULTITASKER TWIST responsibly at an appropriate recycling facility.
- Do not dispose of the tool in regular household waste.
- Follow local regulations regarding the disposal of aluminum and other materials.

Contact Information for Further Support

For any inquiries regarding the safety and use of the MULTITASKER TWIST, please refer to the manufacturer's contact details provided with your purchase.

Thank you for choosing the MULTITASKER TWIST. Enjoy safe and effective use of your new multitool!
