Safety Instruction Guide for AR15 Lower Parts Kit with ACT Trigger

Introduction

Thank you for purchasing the AR15 Lower Parts Kit with ACT Trigger. This guide provides important safety information and instructions to ensure the safe use and installation of the product. Please read this guide carefully before use to understand how to handle the product safely.

General Safety Guidelines

- Ensure that all components are compatible with your AR15 lower receiver.
- Always follow local laws and regulations regarding firearm assembly and modifications.
- Store all parts in a secure location, out of reach of children and unauthorized individuals.
- Inspect all parts for damage or defects before installation.
- Use appropriate personal protective equipment (PPE) when handling tools and parts, such as safety glasses and gloves.
- Do not attempt to modify or alter any components of the kit beyond the manufacturer's specifications.

Specific Safety Precautions for Use

- Only use this kit if you are familiar with firearms and their assembly.
- Ensure that the firearm is unloaded and the chamber is clear before beginning assembly.
- Keep fingers and tools away from the trigger area when working on the firearm.
- Do not force any parts during installation; if they do not fit, verify compatibility and consult a professional if needed.
- If you experience any issues during installation or operation, cease use immediately and seek assistance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a punch set, screwdriver, and any other tools specified in the product instructions.
- Ensure your work area is clean and welllit.

2. Installation Steps:

- **Bolt Catch:**
 - Install the bolt catch by inserting it into the receiver and securing it with the bolt catch roll pin.
- **Mag Release:**
 - Install the magazine release button and spring, ensuring proper alignment.
- **Trigger Guard:**
 - Secure the trigger guard in place using the roll pin provided.
- **ACT Trigger:**
 - Follow the specific instructions provided with the ACT trigger for correct installation.
- **Final Assembly:**
 - After all components are installed, perform a thorough check to ensure everything is secure and functioning correctly.

3. Usage:

- Familiarize yourself with the operation of your assembled firearm before use.
- Always follow safe handling practices when using your firearm.

Disposal Instructions

- Dispose of any unused parts and packaging materials in accordance with local waste disposal regulations.
- Do not dispose of any firearm components in regular household waste; consult local regulations for proper disposal methods.
