

# SWINGER SLING MOUNT - TECH TEN TACTICAL SWINGER SLING MOUNT BLACK

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

The patent pending Tech Ten Tactical Swinger™ Sling Mount takes rifle maneuverability to the next level. When used with the Tech Ten Tactical B5 Enhanced SOPMOD Stock Insert (sold separately) the Swinger™ Sling Mount pivots 220 degrees, eliminating tension and binding when an operator transitions from strong to weak-side or shoots from barricades and vehicles. A QD attachment with large push button is secure yet allows quick removal from the rifle even under stressful situations. Swinger™ Sling Mount Features Effortless motion from strong side shoulder to weak side shoulder Constructed from cold rolled steel Black oxide coating Accommodates slings up to 1-1/4" Manufactured with pride in the United States NOTE: The Swinger™ Sling Mount is specifically designed to be used with the B5 Enhanced SOPMOD Stock insert.

# SWINGER SLING MOUNT TECH TEN TACTICAL SWINGER SLING MOUNT BLACK Safety Instruction Guide

## Introduction

Thank you for choosing the SWINGER SLING MOUNT TECH TEN TACTICAL SWINGER SLING MOUNT BLACK. This guide provides essential safety instructions to ensure the safe and effective use of your sling mount. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the sling mount is compatible with your firearm and the B5 Enhanced SOPMOD Stock Insert.
- Always follow local laws and regulations regarding firearm accessories.
- Inspect the sling mount before each use for any signs of damage or wear.
- Keep the sling mount out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Awareness:** Be aware that improper use or installation may lead to accidents or injuries.
- **Proper Handling:** Always handle your firearm safely and responsibly while using the sling mount.
- **Transitioning:** When transitioning from strong to weak side, ensure that the sling mount is functioning correctly to avoid binding or tension.
- **Secure Attachment:** Ensure that the QD attachment is securely fastened before use to prevent accidental detachment.
- **Environmental Considerations:** Avoid using the sling mount in extreme conditions that may affect its performance, such as severe weather or during strenuous activities.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Attach the Swinger™ Sling Mount to the designated point on your firearm according to the manufacturer's instructions.
- If using with the B5 Enhanced SOPMOD Stock Insert, ensure that it is properly installed and secured.
- Confirm that the mount pivots freely and does not exhibit any binding.

### 2. Usage:

- To use the Sling Mount, position the sling over your shoulder and attach it to the mount.
- When transitioning from strong side to weak side, allow the mount to pivot 220 degrees to maintain comfort and maneuverability.
- Always check the security of the sling attachment before and during use.

## Disposal Instructions

- Dispose of the Sling Mount responsibly according to local regulations.
- If the product is no longer in use or damaged beyond repair, consider recycling materials where

applicable.

- Do not dispose of the Sling Mount in regular household waste if it contains any hazardous materials.

## **Contact Information for Further Support**
