Advanced shooters require advanced solutions. The Kagwerks extended slide release is specifically designed to enhance a shooter's grip. It enables a higher support hand position on the pistol, which increases accuracy, performance, and speed, while decreasing the chance of malfunctions. The release also provides an ergonomic, intuitive lever when performing reloads.

Safety Instruction Guide for Kagwerks Extended & Raised Slide Release for Glock®

Introduction

Thank you for choosing the Kagwerks Extended & Raised Slide Release for Glock® Gen 3 & 4. This product is designed to enhance your shooting experience by improving grip and performance. To ensure your safety and the effective use of this product, please read and follow the instructions in this guide carefully.

General Safety Guidelines

- Ensure that you are familiar with the safety features and operations of your Glock® firearm.
- Always handle your firearm with care and consider it loaded until you have verified otherwise.
- Keep the slide release and all firearm components out of reach of children and unauthorized users.
- Regularly inspect your firearm and accessories for wear and damage.
- Report any unsafe product experiences to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the slide release with Glock® Gen 3 and Gen 4 models.
- Ensure that the firearm is unloaded before installing or using the slide release.
- Avoid using excessive force when operating the slide release to prevent damage.
- If you experience any malfunctions while using the slide release, cease use immediately and consult a qualified gunsmith.
- Be mindful of your surroundings and ensure a safe shooting environment when using your firearm.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the factory slide release from your Glock® by following these steps:
 - Push the slide stop lever pin out from the right side of the frame.
 - Remove the slide stop lever from the frame.
- Take the Kagwerks Extended & Raised Slide Release and align it with the mounting hole in the frame.
- Insert the slide stop lever into the frame and push the pin back into place until it is secure.
- Verify that the slide release operates smoothly.

2. Usage:

- When reloading, use your support hand to engage the extended slide release for a more ergonomic grip.
- Practice using the slide release in a safe environment to become familiar with its operation.
- Always ensure that the firearm is pointed in a safe direction when performing reloads.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and firearm accessories.
- Ensure that any components being disposed of are rendered unusable to prevent unauthorized use.

Contact Information for Further Support

For any questions or concerns regarding the Kagwerks Extended & Raised Slide Release, please consult the manufacturer's website or customer service for assistance.

Thank you for prioritizing safety and performance with your Kagwerks product. Enjoy your enhanced shooting experience!
