# EPC Lower Parts Kit Safety Instruction Guide

## Introduction

Thank you for choosing the Aero Precision EPC Lower Parts Kit. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and usage.

## General Safety Guidelines

- Ensure that all components are compatible with your firearm.
- Store all parts in a safe location, away from children and unauthorized users.
- Regularly check for any signs of wear or damage to components.
- Always follow local laws and regulations regarding firearm assembly and usage.
- If you are unsure about any aspect of the installation or usage, seek professional assistance.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper assembly may lead to malfunction or injury.
- Use of incompatible parts can result in unsafe operation.
- Failure to follow safety guidelines may lead to accidents.

### • Instructions to Avoid Hazards:

- Only use the parts included in this kit for assembly.
- Ensure that all fasteners are securely tightened.
- Do not modify any components unless specifically instructed.
- Always handle firearms safely and treat every firearm as if it is loaded.

### • AgeSpecific Warnings:

- This product is intended for adult use only. Keep out of reach of children.
- Ensure that minors are supervised by a responsible adult when handling firearms.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and components.
- Ensure your workspace is clean and organized.

### 2. Installation Steps:

- Begin by installing the takedown/pivot springs and detents.
- Insert the takedown pin and pivot pin into their respective locations.
- Install the bolt catch along with its spring and buffer.
- Attach the safety selector along with its spring and detent.
- Secure the buffer retainer and its spring.

### 3. Final Checks:

- Verify that all components are installed correctly and securely.

- Conduct a function check to ensure that the assembly operates smoothly.
- Always ensure that your firearm is unloaded before performing any checks.

## **Disposal Instructions**

- Dispose of any packaging materials responsibly by recycling where possible.
- If any components are damaged or unusable, consult local regulations for safe disposal.
- Do not dispose of firearm parts in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the EU contact point associated with this product. You can also check the EU's Safety Gate platform for updates and recalls related to this product.

By following these guidelines, you can ensure a safe and effective experience with your Aero Precision EPC Lower Parts Kit. Thank you for your attention to safety and responsible firearm handling.
