## Safety Instruction Guide

### Introduction

Thank you for choosing the Forward Optic Mount for Yugo M70 Series AKs. This product is designed to enhance the stability and accuracy of your rifle. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

### General Safety Guidelines

- Ensure that you are familiar with the operation and handling of firearms before using this product.
- Always treat every firearm as if it is loaded.
- Store the Forward Optic Mount and your firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the mount for any signs of damage or wear before each use.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- If you are unsure about any aspect of using this product, seek assistance from a qualified gunsmith or firearms expert.

### Specific Safety Precautions for Use

- Do not use the Forward Optic Mount on M72 models or AK pistols, as it is not compatible with these firearms.
- Ensure that the mount is securely attached to the barrel before use to prevent any accidents.
- Avoid using the mount in extreme conditions (e.g., excessive heat, moisture) that may affect its performance.
- Do not attempt to modify or alter the Forward Optic Mount, as this may compromise its safety and effectiveness.
- Always wear appropriate eye protection when handling firearms and during shooting activities.

### Instructions for Installation and Usage

#### 1. Preparation

- Gather all necessary tools, including the provided allen wrench and screws.
- Ensure that your firearm is unloaded and in a safe condition before beginning installation.

#### 2. Installation Steps

- Remove the existing piston tube from your Yugo M70 Series AK.
- Align the Forward Optic Mount with the barrel, ensuring that it fits securely.
- Use the provided clamps to attach the mount directly to the barrel. Tighten the screws using the allen wrench until secure.
- Verify that the mount is stable and does not move when pressure is applied.

#### 3. Usage

- Once installed, check the alignment of your optic sight to ensure proper aiming.
- Regularly inspect the mount during use to ensure that it remains secure and stable.
- Follow the manufacturer's guidelines for the optic sight being used in conjunction with the Forward Optic Mount.

#### 4. PostUsage Care

- Clean the mount and surrounding areas after use to prevent corrosion and maintain functionality.
- Store the firearm and mount in a cool, dry place when not in use.

## Disposal Instructions

- Dispose of any packaging material in accordance with local waste disposal regulations.
- If the Forward Optic Mount becomes damaged beyond repair, please dispose of it responsibly. Check with local recycling programs for guidance on the disposal of aluminum and steel materials.

## Contact Information for Further Support

For any inquiries or additional support regarding the Forward Optic Mount, please refer to the manufacturer's website or customer service resources. Ensure that you have the product model and any relevant details available for efficient assistance.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safe and enjoyable experience with your Forward Optic Mount for Yugo M70 Series AKs.
