

# CONDITION ONE MICRO SIGHT ADAPTERS - BADGER ORDNANCE MICRO SIGHT MOUNT FOR AIMPOINT ACRO BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Handgun Bases](#)

## Add a Micro Reflex Sight to Your Badger Mount

The Badger Ordnance Condition One Modular Mount is designed to provide rifle owners with a centralized mounting location for their optics and accessories. The addition of the company's C.O.M.M. Micro Sight Adapter allows users to mount many of today's popular reflex optics. Mounts are available in black or tan finishes and are sized to fit the Aimpoint T1/T2, Leupold DeltaPoint Pro or the Trijicon RMR. Each mount is machined from a single piece of aluminum for durability and strength.

## Attributes

# Safety Instruction Guide for Badger Ordnance Condition One Micro Sight Adapters

## Introduction

Thank you for choosing the Badger Ordnance Condition One Micro Sight Adapter. This guide provides important safety information and instructions for the safe use and installation of the product. Please read this guide carefully to ensure proper handling and to maximize your safety while using the adapter.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before attaching or detaching the micro sight adapter.
- Inspect the adapter for any damage or wear before each use. Do not use the adapter if it is damaged.
- Follow all local laws and regulations regarding the use of firearm accessories.
- Keep the product out of reach of children and unauthorized users.
- Use the product only for its intended purpose as specified in this guide.
- Regularly check for recalls or safety alerts related to this product via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the adapter is securely mounted to your firearm before use.
- Avoid using excessive force during installation to prevent damage to the adapter or the firearm.
- Do not modify the adapter in any way, as this may compromise its safety and functionality.
- Be aware of your surroundings and ensure that you are in a safe environment when using the firearm with the mounted adapter.
- If you experience any issues during installation or use, discontinue use immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Installation of the Micro Sight Adapter:

- Ensure that your firearm is unloaded.
- Clean the mounting area on your firearm to remove any debris or oil.
- Align the micro sight adapter with the mounting location on your firearm.
- Securely attach the adapter using the provided screws, ensuring they are tightened to the manufacturer's specifications.
- Doublecheck the adapter's stability before proceeding to use the firearm.

### 2. Usage of the Micro Sight Adapter:

- Once the adapter is securely installed, attach your reflex optic according to the manufacturer's instructions.
- Confirm that the optic is properly mounted and aligned for optimal performance.
- Conduct a function check to ensure that the optic and adapter are working correctly before engaging in any shooting activities.

### 3. PostUse:

- After use, remove the optic and clean the adapter and firearm as necessary.
- Store the adapter in a safe and dry location when not in use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and firearm accessories.
- Do not dispose of the adapter in household waste.
- Contact local waste management authorities for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the Badger Ordnance Condition One Micro Sight Adapter, please refer to the manufacturer's website or customer support channels for assistance. It is important to have access to support for any safety inquiries or product issues.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your Badger Ordnance Condition One Micro Sight Adapter. Always prioritize safety and compliance with local laws when using firearm accessories.
