

CONDITION ONE ANGLE COSINE INDICATOR MOUNT - CONDITION ONE ANGLE COSINE INDICATOR KIT RIGHT HAND TAN

[Home](#)

The C1 ACI allows for the attachment of the Sniper Tools Design ACI directly to the C1 line of mounts. It can be used on any C1 mount left/right fore/aft though end users will need to purchase right or left handed ACIs accordingly as the ACI design itself is not ambidextrous in nature. It can be used in conjunction with and opposing other accessories or alone on the mount utilizing the provided standalone puck. The C1 ACI mount can be configured for 2 different ride heights on the mount, high or low. The Right Hand ACI is built for right handed shooters and mounts the ACI on the left side of the mount to be visible when shooting. 7075 T6 Aluminum, Mil Spec Type III Hardcoat Anodized, tan or black. Weight .7 oz.

CONDITION ONE ANGLE COSINE INDICATOR MOUNT

Safety Instructions

Introduction

Thank you for choosing the CONDITION ONE ANGLE COSINE INDICATOR MOUNT. This guide provides essential safety instructions to ensure the safe use and installation of the product. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always inspect the product for damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all installation instructions to avoid hazards.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls via the EU Safety Gate platform.

Specific Safety Precautions for Use

- The ACI design is not ambidextrous; ensure you purchase the correct model (right or lefthanded) for your needs.
- Always mount the ACI securely to prevent it from loosening during use.
- Do not modify the product in any way, as this may compromise safety.
- Use the standalone puck provided when using the mount without additional accessories.
- Be cautious when using the product in conjunction with other accessories; ensure compatibility.

Instructions for Installation and Usage

1. Installation Steps:

- Choose the appropriate C1 mount for installation.
- Ensure the mount is clean and free of debris.
- Align the ACI with the designated mounting area on the left side of the mount.
- Secure the ACI using the provided mounting hardware, ensuring it is tightened to prevent movement.
- Adjust the ride height of the mount to your preference (high or low).

2. Usage Instructions:

- Verify that the ACI is securely mounted before use.
- Familiarize yourself with the ACI's functionality and positioning.
- Practice safe handling and shooting techniques at all times.
- If using the ACI with other accessories, ensure that all components are securely attached.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check for any specific disposal instructions from your local waste management authority.

Contact Information for Further Support

For any inquiries or concerns regarding the product, please reach out to the manufacturer or your local distributor for assistance. Ensure you have the product details and any relevant information ready for a prompt response.

Thank you for your attention to these safety instructions. Enjoy using your CONDITION ONE ANGLE COSINE INDICATOR MOUNT safely and effectively.
