

CONDITION ONE ANGLE COSINE INDICATOR MOUNT - CONDITION ONE ANGLE COSINE INDICATOR KIT LEFT HAND BLACK

[Home](#)

The C1 ACI allows for the attachment of the Sniper Tools Design ACI directly to the C1 line of mounts. It can be used on any C1 mount left/right fore/aft though end users will need to purchase right or left handed ACIs accordingly as the ACI design itself is not ambidextrous in nature. It can be used in conjunction with and opposing other accessories or alone on the mount utilizing the provided standalone puck. The C1 ACI mount can be configured for 2 different ride heights on the mount, high or low. The Right Hand ACI is built for right handed shooters and mounts the ACI on the left side of the mount to be visible when shooting. 7075 T6 Aluminum, Mil Spec Type III Hardcoat Anodized, tan or black. Weight .7 oz.

CONDITION ONE ANGLE COSINE INDICATOR MOUNT

Safety Instruction Guide

Introduction

Thank you for choosing the CONDITION ONE ANGLE COSINE INDICATOR MOUNT. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure the product is used as intended and according to the manufacturer's instructions.
- Regularly inspect the product for any signs of wear or damage before each use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the relevant authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always use the CONDITION ONE ANGLE COSINE INDICATOR MOUNT in a safe environment.
- Ensure that the mount is securely attached before use to prevent accidental detachment.
- Be aware of the orientation of the ACI when mounting it to avoid misalignment.
- Use the product only with compatible accessories to prevent compatibility issues.
- Avoid using the product in extreme weather conditions that may affect its performance.
- Always wear appropriate safety gear when using firearms in conjunction with this product.

Instructions for Installation and Usage

1. Installation:

- Select the appropriate C1 mount for your firearm.
- Ensure the mount is clean and free from debris.
- Align the ACI with the mounting points on the C1 mount.
- Securely fasten the ACI to the mount using the provided hardware.
- Confirm that the ACI is mounted correctly and does not wobble.

2. Usage:

- Before each use, check the ACI for any signs of damage or wear.
- Adjust the ride height of the mount to your preference (high or low).
- When aiming, ensure that the ACI is visible and correctly oriented.
- If using with other accessories, ensure they do not obstruct the ACI's visibility.
- After use, remove the ACI if not needed and store it in a safe place.

Disposal Instructions

- Dispose of the product responsibly according to local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, usage, or support, please refer to the manufacturer's contact details provided with your product packaging or visit the manufacturer's website.

Thank you for your attention to these safety guidelines. Enjoy your experience with the CONDITION ONE ANGLE COSINE INDICATOR MOUNT.
