# Badger Ordnance MK 12 SPR Gas Manifold Safety Instructions

## Introduction

Thank you for choosing the Badger Ordnance MK 12 SPR Gas Manifold. This product is designed to provide reliable performance and safety when used correctly. Please read this safety instruction guide carefully to ensure proper use and maintenance of the gas manifold.

## General Safety Guidelines

- Always follow the manufacturer's instructions for installation and usage.
- Ensure that the gas manifold is compatible with your firearm before installation.
- Regularly inspect the gas manifold for signs of wear or damage.
- Store the gas manifold in a cool, dry place away from direct sunlight.
- Keep the gas manifold out of reach of children and unauthorized users.
- In case of any malfunction or suspected defect, cease use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- Use only the recommended tools and equipment for installation.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves during installation.
- Ensure that the firearm is unloaded before installing or servicing the gas manifold.
- Do not modify the gas manifold or use it in a manner not intended by the manufacturer.
- Be aware of your surroundings and ensure a safe environment when handling firearms.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools: wrenches, screwdrivers, and any other required equipment.
- Ensure the firearm is unloaded and pointed in a safe direction.

### 2. Installation Steps

- Remove the existing gas manifold from the firearm, if applicable.
- Clean the area where the new gas manifold will be installed to ensure a proper fit.
- Align the new Badger Ordnance MK 12 SPR Gas Manifold with the mounting points on the firearm.
- Securely fasten the gas manifold using the appropriate screws and tools, ensuring it is tightly fitted but not overtorqued.

### 3. Usage

- After installation, perform a function check on the firearm to ensure proper operation of the gas system.
- Monitor the gas manifold during use for any signs of malfunction or abnormal operation.

### 4. PostUsage Care

- After use, clean the gas manifold according to the manufacturer's recommendations.
- Inspect the gas manifold for any wear or damage before storing.

## **Disposal Instructions**

- Dispose of any damaged or unusable components in accordance with local regulations.
- If the gas manifold is no longer needed, consider recycling it if possible.
- Do not dispose of the gas manifold in regular household waste.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the Badger Ordnance MK 12 SPR Gas Manifold, please consult your local retailer or authorized dealer for assistance. Always ensure that you have access to a knowledgeable source for safety-related questions.

By following these safety instructions, you can help ensure a safe and effective experience with your Badger Ordnance MK 12 SPR Gas Manifold. Thank you for your attention to safety and proper firearm handling practices.
