Safety Instruction Guide for MK 12 Style ClampOn Gas Manifold

Introduction

Thank you for choosing the MK 12 Style ClampOn Gas Manifold by Badger Ordnance. This guide provides essential safety instructions and information to ensure the safe and effective use of your gas manifold. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle the product with care to avoid injuries.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Only use the MK 12 Style ClampOn Gas Manifold with compatible firearms.
- Ensure that the manifold is securely clamped around the barrel before use.
- Do not exceed the manufacturer's recommendations for installation torque.
- Avoid using the product in conditions that exceed its operational limits.
- Wear appropriate safety gear, such as eye protection, while handling the product.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools: Two #6 socket head cap screws and an appropriate wrench.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Installation Steps

- Position the clampon gas manifold around the barrel of your firearm.
- Align the holes of the manifold with the corresponding holes on the barrel.
- Insert the #6 socket head cap screws into the holes and tighten securely using the wrench.
- Doublecheck the tightness of the screws to ensure the manifold is securely fastened.

3. Usage Instructions

- After installation, conduct a thorough inspection to confirm that the manifold is properly attached.
- Test the functionality of the gas manifold in a safe environment.
- Monitor for any unusual sounds or movements during operation.

4. PostUse Care

- After use, clean the manifold according to the manufacturer's recommendations.
- Store the firearm and manifold in a secure location.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options for metal components when possible.

Contact Information for Further Support

- For any safety inquiries or support, please reach out to the designated EU contact point for assistance.

Thank you for your attention to these safety instructions. Your safety is our priority.
