

C1 MODULAR SAFETY - BADGER ORDNANCE C1 MODULAR SAFETY TAN

[Rifle Parts](#) > [Safety Parts](#) > [Safeties](#)

Go Condition 1 with our modular safety. Our C1 semi auto safety gives you options for a single sided or ambidextrous control, left or right hand, 60° or 90° throw. The levers and cap have a bright red enamel indicator for easy visual verification. The kit includes long strong side lever, short weak side lever and weak side condition indicator cap for single sided use as well as roll pins and a safety detent hardened to 60Rc. Made from 4140 steel case hardened and Manganese Phosphate coated for a lifetime of service. Installs easily into any M16/AR-15/AR-10/SR-25 pattern rifle.

C1 Modular Safety Badger Ordnance Safety Instructions

Introduction

Thank you for choosing the C1 Modular Safety from Badger Ordnance. This product is designed to enhance the safety of your firearm while providing flexibility in operation. Please read this safety instruction guide carefully to ensure proper use and installation of the product.

General Safety Guidelines

- Always treat firearms as if they are loaded.
- Ensure the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store firearms securely and out of reach of children.
- Regularly inspect your firearm and safety devices for wear and damage.
- Be aware of your surroundings and ensure a clear line of sight before firing.
- Follow all local laws and regulations regarding firearm usage and safety.

Specific Safety Precautions for Use

- Ensure the C1 Modular Safety is compatible with your specific firearm model (M16/AR15/AR10/SR25).
- Only use the product as intended; do not modify or alter the safety mechanism.
- Always verify that the safety is engaged before handling the firearm.
- Be cautious when switching between singlesided and ambidextrous controls to avoid accidental discharge.
- Regularly check the bright red enamel indicator for visibility and functionality.
- If you notice any malfunction or irregularity in the safety mechanism, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Unboxing the Kit:

- Carefully remove the C1 Modular Safety components from the packaging.
- Ensure all parts are present: long strong side lever, short weak side lever, weak side condition indicator cap, roll pins, and safety detent.

2. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing safety mechanism from your firearm according to the manufacturer's instructions.
- Select the desired lever configuration (singlesided or ambidextrous).
- Install the chosen lever by aligning it with the safety detent and rolling pin.
- Securely fasten the lever in place, ensuring it moves freely without obstruction.
- Attach the weak side condition indicator cap if using in singlesided mode.
- Test the safety mechanism to ensure it engages and disengages properly.

3. Usage Guidelines:

- Familiarize yourself with the operation of the safety levers before use.
- Practice engaging and disengaging the safety in a safe environment.

- Always ensure the safety is engaged when not in use or when transporting the firearm.

Disposal Instructions

- Dispose of any old safety components in accordance with local regulations.
- Do not discard firearms or firearm parts in regular household waste.
- Contact local waste management authorities for guidance on the safe disposal of firearm components.

Contact Information for Further Support

For any inquiries regarding the C1 Modular Safety, please refer to the official Badger Ordnance website or contact your local distributor for assistance. Always ensure you have the most updated information regarding safety recalls and product usage.

Conclusion

The C1 Modular Safety is a reliable safety device designed to enhance your shooting experience. By following the guidelines outlined in this manual, you can ensure safe operation and installation. Always prioritize safety and seek professional assistance when needed. Thank you for your commitment to responsible firearm ownership.
