Safety Instruction Guide for AR15/M16 GEN 3 Ambidextrous Charging Handle

Introduction

Thank you for choosing the Badger Ordnance AR15/M16 GEN 3 Ambidextrous Charging Handle. This product is designed to enhance your experience with your firearm by providing a safer and more efficient way to charge the rifle. This guide contains important safety information and instructions to ensure safe usage and compliance with EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the charging handle is compatible with your AR15 or M16 model before installation.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Use proper protective gear, including eye and ear protection, when handling firearms.
- Keep the area where firearms are handled clear of distractions and unauthorized individuals, especially children.
- Regularly inspect the charging handle for signs of wear or damage before use.
- Follow all local laws and regulations regarding firearms and accessories.

Specific Safety Precautions for Use

- Always use the charging handle with both hands for better control.
- Avoid using excessive force when charging the rifle to prevent damage to the handle or the firearm.
- Do not attempt to modify the charging handle, as this may compromise its safety and functionality.
- Ensure that the firearm is pointed in a safe direction at all times while charging.
- If you experience any difficulty with the charging handle, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the existing charging handle from the upper receiver by following the manufacturer's instructions.
3. Align the Badger Ordnance charging handle with the receiver and insert it into place.
4. Ensure that the charging handle is securely positioned and functions smoothly.

Usage

- To charge the rifle, grasp the handle using either the finger and thumb grip or the palm of your hand.
- Pull the charging handle back firmly and smoothly until it locks into place.
- Release the charging handle to allow it to return to its forward position.
- Perform a visual inspection to ensure that the firearm is ready for use.

Disposal Instructions

- Dispose of the charging handle in accordance with local regulations.
- Do not dispose of the charging handle in regular household waste.
- Consider recycling options if available, or contact local waste management authorities for guidance.

Contact Information for Further Support

For any questions or concerns regarding the Badger Ordnance AR15/M16 GEN 3 Ambidextrous Charging Handle, please reach out to your local distributor or refer to the manufacturer's website for additional support and resources.

By following these guidelines, you can ensure the safe and effective use of your charging handle, enhancing your overall shooting experience. Always prioritize safety and stay informed about best practices in firearm handling.
